

# FROM THE DEPTH OF MY HEART.....

Greetings in the Almighty Name of our Lord and Savior Jesus Christ!

God has done marvelous things to all of us throughout this year. When we look back to all the days of this year, we can only say **'God is good, His mercy endures forever'**. Amen! Sing Psalms 136 and praise Him for His faithfulness. Dedicate this entire month for praise and worship and exalt His name. All glory and honor be to our beloved Savior alone.

***"But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light" (1.Pe.2:9)***

God's election is one of the greatest truths of the New Testament. In Christ, you are a chosen and hand-picked person. He has picked you out of this world for His special purpose and put you in Christ (**Eph-1:5-9**). When you are firmly rooted in this truth, you will never again bother when people reject or ignore you. You are God's royal priest. The royal dignity and authority is implanted in your very nature. You are God's sovereign will over all your circumstances. It's your great privilege to be a consecrated priest to offer up spiritual sacrifices of worship to God and intercede for others. You rule and reign as a king is based only on the extent you do this.

Beloved, thank God for all these privileges. You are picked out of this world. Don't ever love the world and its pleasures. You are totally set apart from this sinful world. Never stoop down from this standard. You are His royal priest. Use your authority and privileged priesthood-position, continually offering praises and prayers. You are God's ambassador. Represent His holy nation and diffuse the heavenly fragrance. You are God's most precious possession. Spend your time in His special service! May the Lord open your eyes to see this truth!

We had a very powerful four days meeting in Rajamundry, Andhra Pradesh. More than thousand Pastors attended the meeting. God did mighty works in Andhra Pradesh and we believe this is God's time for the Church of Andhra to rise up with signs and wonders. Thank you for your prayers.

We have started building the store room in our Poondi campsite. We need your prayers for the completion of the work and financial support. Continue to pray for **the New Testament commentary work** and for the completion of the third volume of our **Daily Devotion "See yourself in Christ daily"**.

# The message of Christmas

**Dr. Ezekiah Francis**

Wish you a merry Christmas! This is the right season to rejoice and be merry.

This year's Christmas message is from the Gospel of Luke chapter 1 verse 46 thru 52, Mary's song of praise. Meditate on this as not just an ordinary Christmas message but a prophetic message from the Almighty. Always remember to remind yourself about this message and practice it. All the blessings of Christmas are yours. Enjoying it and possessing it is your job.

From this song we are going to meditate on the five most important blessings that our Lord showed me when I was waiting in His Presence. Believe in the prophetic messages and you will be established.

## **The Miracle realm is opened**

In the course of the history of Israel many years went by without a single miracle. It was during the birth of Christ that this realm was opened again. Everything that happened during the first Christmas was miraculous. Miracle is something that is beyond human ability and human comprehension. It is something that makes the impossible ...possible and nullifies the wisdom of the brilliant doctors.

## **Mrs. and Mr. Zacharias**

The birth of John was also not an ordinary one. This couple could have had children during their 30s or 40s. Why should they have children in their old age? Why did the old barren womb of Elizabeth become like a womb of a young virgin? Once upon a time, they must have prayed hard for a child. All their

efforts were in vain. They must have even stopped praying. It was at this time that the Angel of God appeared and told them that their prayers have been answered.

Dearly beloved, God wants to perform miracles for you. Do not limit His miracle power by your peanut brain? Days have rolled by. Do not tell God that you have become old. You know what happened to Zacharias when he said so. It is never too late and never too old for God's miracles

## **The Virgin Mary**

The same angel, who came to Zacharias, spoke very kindly to this young virgin. Joyfully, He told her how she will become pregnant and how the Lord of Lords will be born in her womb. A young virgin becoming pregnant!!! Is it possible in real life? It was late for Zacharias and for Mary it was too early. This is the good news of Christmas.

You might have been lamenting and complaining so far. If so, this is God's direct message for you. Nothing is impossible with your God. Your calculations cannot curtail His miracle power. You might think you are too young and very innocent. When God intervenes swiftly and shows His mighty acts, it is a miracle. Indeed He has opened the miracle realm for you.

He will do miracles that you have never ever heard before. Did Mary ever hear of a virgin giving birth? Has it ever happened in the lives of the Old Testament saints? May be Mary would have heard of how Sarah became pregnant in her old age. She has

seen Elizabeth becoming pregnant in her old age but would she have ever dreamt of a young girl becoming a mother, that too, without knowing a man? Yes it is only this miracle power that will perform things that you have not seen or heard.

The miracle realm was opened during Christmas. The heavenly host of angels singing was a miracle. The Christmas message from God was a miracle. An old women giving birth was a miracle. What ever happens to you pushing aside all your doubts is a miracle. Whatever happens beyond your understanding and comprehension is a miracle. Embrace this miracle realm today. The supernatural Holy Spirit encircling an ordinary person, like you, is a miracle. Performing the impossible is a miracle. Whatever can be done only by the power of the Almighty God is a miracle. Do you want to know what God is telling you as you think how this will happen?

“The Holy Spirit will come upon you and the power of the Almighty will overshadow you....For with God nothing is impossible” Lk 1:35-37.

God himself will do which no man can do for you. The angel used Elizabeth to stir up the faith of Mary. There were Old Testament examples for Elizabeth to believe, but Mary had no such examples. Elizabeth’s miracle stirred up the faith that was needed to bring about Mary’s miracle. Not only that, all that Elizabeth prophesied to the one who had come to greet her was also a miracle. Whatever the Angel told Mary in the secrecy of her room, Elizabeth made it public. You are going to see a miracle. To you a child is going to be born and to you a Son will be given, His name shall be called Wonderful; He will dwell in your midst.

Yes beloved, right from the time He comes to dwell in you till your last breath, all that He does for you is a miracle. Every day He desires you to see miracles in your life. This is His will for you. Today shout the miracle that you have desired so long. Trust your Lord to bring it to pass and sing in faith. Confess, Rejoice and enjoy the miracles.

### **Soul magnifies and Spirit rejoices**

Christmas beckons you to a life of singing. The

shepherds, Angels, Elizabeth, Zacharias, Simon and Mary- they all sang. Jesus came into this world to make you life into a song. It is not God’s will for you to magnify your sorrows, sufferings, pain and remain confused. Your soul must magnify your God. Your spirit must rejoice in your Savior. Sing songs of praise when you are surrounded by sufferings. Medical world speaks of Sound Therapy, Water Therapy, Touch therapy, Laughter Therapy and we hear of many more such new therapies every day. God is introducing a new therapy like song therapy, worship therapy. Exalt our Lord always and at all times (Ps.34:1). Sing and shout because you have someone who loves you and cares for you. As you confess in faith you will see problems disappear in your body, soul, family and even relationships.

There is an old adage in Tamil, which says, “One must sing while milking a singing cow and dance while milking a dancing cow.” It is their belief that as you sing while milking a cow it will yield more milk. Christmas portrays the importance of singing in the Church today.

The song that Mary sang was not a part of any hymn book. Hannah’s song in the Old Testament could have made a deep impression in Mary. But the song she sang was from her spirit. The day Jesus was born in you, the ability to sing in all circumstances has already come. Now you will have a new problem of how not to sing. Observe people who are full of the Holy Spirit. They will always be humming a tune. There will be rejoicing in their spirit. Singing is not difficult for them. Instead, being quiet is hard for them. They will be singing in their bathroom, kitchen, bedroom, while traveling, and in every adverse situation.

This is ordinary Christian life. Jesus came into this world only to bring this joy in you. Giving thanks to God for what He has done is what Christmas experience is all about.

If you cannot sing with freedom, it means that your spiritual man is diseased. If you continue to remain like this, then it is perennial sickness. Go to a church and worship God soon. Cling on to Men of God who are trained to sing at all times. Do not

magnify your problems. Rather, magnify God who can solve your problems. This is the essence of Christmas. Christmas brings joy amidst confusion. Change everything that is burdening your heart into a song.

If you are crying for something now, you will rejoice over the same issue soon. Your Savior will protect you. He will lift you up at all times. Sing and celebrate Him. This habit will make you a blessing for the nations. If you always have a calm, quiet and joyful spirit, always singing and worshipping God in every situation, it is a clear indication that you are controlled by the Holy Spirit.

It is quite natural to have lots of apprehension when you are about to enter a new phase not knowing the past or future. Sudden changes can be very disturbing.

If you are waiting for a very long time to be settled and established, your future could appear very frightening or alarming. Think how apprehensive and fearful Mary must have felt. What will people talk about her? Oh! a young virgin has become a mother. What a shame?! Will they stone her according to the law or will they drive her away? Many thoughts would have stormed her mind. But she stayed focused on the Word of God and sang joyfully in faith. She became a vessel to bless the whole world. Sing a song of praise right now.

### **Regards the lowly state of the maid servant**

Christmas exalts the weak, lowly, destitute and the neglected. God is looking carefully at your present lowly condition. God wants to exalt you to the astonishment of everyone around you. Take courage. One day you will gladly say, "He looked at this maid servant's lowly state. Henceforth all generations will call me blessed." Your worth after Christ came into your heart will increase many times. No one can stop this. A life without him is a small circle. After He comes, it becomes a BIG circle. This is a fixed rule.

Christmas is filling the hungry till they are satisfied. Christmas is fulfilling your longing. Christmas is exalting you before all your friends and relatives. Do you know the difference between those who have given their life to Jesus and others? Is it the

difference between America and India or America and Africa? No, it is the difference between heaven and earth. You will see a big exaltation in every area of your life.

Your mode of transportation will change. Your eating style will change. Your living style will change. Your name and fame will change. He who is last in everything will be drawn to the forefront. If Jesus begins to exalt someone, there is no limit to what He can do. All the generations will call you blessed. Did he not change a lowly young virgin from a lowly city called Nazareth, into someone whom the whole world is calling blessed today? Is there anyone who does not know Mary now? All those who are looking at you from a distance will look up to you. You will see a greater exaltation. It is very certain that God will exalt you this Christmas. Come on! Rejoice!!!

### **He will scatter the proud**

This miracle working God is the One who makes you happy. He is the One who changes your lowly state. He is the One who will avenge your enemies.

The state of those who trust in their own strength is pitiful. Do you know what He will do to those who boast in their strength? He will punish, scatter and destroy them. He will push them from their thrones to a deep pit. A God who can exalt anyone can also put people down. Our God who will honor you can also cause your enemies to faint. Our God who does mighty things for you will confuse and confound your enemies in this Christmas season. Indeed He will show you His might and outstretched arm. Can you define His might? It is His most High strength.

Christ was born for your exaltation and for your enemy's downfall. When the Israelites crossed the Red Sea, the glory of God was like a light to them but to their enemy He was darkness. The glory of Christmas is also like this. For all those who love, honor and seek Him He is their light and exaltation. But for those who hate Him He is destruction. Those who think that they cannot be shaken will be destroyed in a jiffy. All the powers that are against your exaltation will be crushed to the ground. The forces that are trying to steal your joy and happiness will be struck down.

Just imagine, the same Christmas that exalted and lifted up old Elizabeth, poor Mary, Widow Anna, old Simon and the lowly shepherds made King Herod to panic. How many children were killed? All those who were in high position during the birth of Christ panicked. The age in which Jesus was born was a dark age. Christ was born at a time like this only. He brought heaven down. In a nutshell, because of Him servants became masters and masters became servants. This Christmas blessing is for you. Arise and possess.

**He will bring to pass what He has promised**

From the very Beginning all the promises of God coming to pass is Christmas. Every promise he has spoken through our forefathers He will bring it to pass through Christ. For this reason Word became flesh and has dwelt among you. All the promises are 'Yes'

and 'Amen' in Christ. During this Christmas season speak and confess the promises of God from the Word. Use them to intercede and praise.

You will give to many nations but you will not borrow. Great shall be the peace of your children. They shall be taught by God. You shall see the lives of your children's children. You will still bear fruit in old age. You will be fat and well fed. You shall be full of life. Kings will come to the brightness of your rising. All the works of your hand will surely prosper. Christ who has every blessing in Him is born in you. You lack nothing. May God grant you a Christmas that is full of His blessings. May He perform wonders and make you joyful. May He fight your battles and give you the ultimate victory.

# PEACE be still!!!!

Rev. Benita Francis

---

Precious family of God, this month there is a very special subject burning in my heart. In the last few weeks, we have seen a **spirit of violence** released all over India as never before (Rev. 6:4). In the history of our nation, there has never been a persecution against Christians like now. It seems the whole hell has been released against the Body of Christ. We also see an unprecedented sudden surge of terrorism and communal violence. A global financial crisis is shaking the whole world, casting people into fear of losing their jobs and income. Is there any hope of our nation?

As we were praying how to tackle this situation, the Lord very clearly spoke to me that **ONLY THE PEACEFUL CAN BRING PEACE!** The peacemakers will be called mature sons of God (Matt. 5:9). Jesus told us to keep our joy and peace in all the unavoidable tribulations of the world, because He already **OVERCAME** the world (Jn. 16:33)! Actually, before commissioning His disciples, Jesus pronounced peace over them: “**Peace to you!** As the Father has sent Me, **I also Send you**” (Jn. 20:21), That means as we pray for our nations, our first job is to make sure there is a real deep peace in our own heart and between one another!

Now let's see what actually destroys your peace? You might say, the monetary situation, financial worries, health concern, the strife in your office, in your marriage, or even with your neighbors. If you dig deeper, you will find that the root of lack of peace is only one thing: **FEAR!!!**

Are memories of other people's offenses against you or memories of other people's offenses against you or memories of your own sin haunting you and stealing your peace? Here again, the root is FEAR. The fear of not being loved, the fear of being hurt again, the fear of being misunderstood, the fear of falling into that sin again....**FEAR!** The answer is to **FORGIVE** forgive others, forgive yourself, and at times it even might be necessary to “forgive God”, if you accused Him in your imagination!

## **Fear is a spirit(2.Ti.1:7)!**

It is the total opposite faith and must be hated and resisted with every fiber of our beings! Whatever you do out of fear is **SIN**: “But he who doubts is condemned if he eats, because he does not eat from faith; for **whatever is not from faith is sin**” (Ro. 14:23). See!!! Even a little bit of doubt is considered sin in God's eyes how much more real fear!!!

Just imagine! If you pray out of fear, even your prayer can be sin!!! To pray effectively in this crucial time, we need to seriously get rid of any doubt and fear in our own lives: “I desire therefore that the men pray everywhere, lifting up holy hands, without wrath and doubting” (1.Ti.2:8)

Why is there so much anger, wrath and strife in our relationships today? Just ask the Holy Spirit to search your heart and show you the real reason! Why does it seem so difficult to say “I am sorry”

when we acted wrongly? It's just because we FEAR we might lose our recognition in people's eyes! Why do we fight and work behind people's eyes! Why do we fight and work behind people's back in our work place? It's just because we FEAR we might lose position! Why do we argue and quarrel in our marriage and seem unable to accept our partner's opinion when it differs from ours? It's just because we FEAR God might not take good enough care of us! Why do we worry about our health? It's just because we FEAR the healing and sustaining power of Jesus might not be strong enough to keep us!

Another peace-robber I see very specially in India is what is called here "insecurity". Insecure husbands beat their wives to establish their authority. Insecure leaders spy out their subordinated to assure themselves of their total allegiance. Insecure pastors attack other ministers from the pulpit to keep "their sheep" securely fixed in their congregations. If you look at the root of this strife-creator, you will again find FEAR! People make great efforts to keep their "prestige". They take big loans and suffer financial strain for years just to gain a good opinion in the eyes of the people.

### **What steals YOUR peace?**

Please take a moment to think about it. Can you identify the root? Can you now see why the PEACEMAKERS are SONS of God, that means, MATURE children of God? Just imagine the pain in your Heavenly Father's heart at all that lack of trust in Him, in His love and ability to bless you!!!

If you are really free in Jesus and rooted and grounded in His love, you will be very secure (Eph.5:14-21)! You don't need to fear or fight for your position, knowing that He who has called you is faithful(Phil.1:6; Da2:21;Ps.138:8).

Just think! What can the devil really do to you? Even his strongest weapon, killing you, just ensures you of a special reception in heaven: Jesus rises up from His Throne and STANDS to receive His faithful martyrs(Ac.7:56)!

### **Fear and your health**

Why is God so particular that you should not fear? Modern science gives us the answer! Fear causes stress and has very detrimental effects on our health. Fear creates anxiety that alters your hormonal balance and releases substances into your blood stream that put your entire system on alert. If fear persists, the stress hormone cortisol starts causing serious damage to your heart and blood vessels. It causes loss of libido, blocks your mind, attacks your bones and joints, causes digestion problems and insomnia and many more complications.

How can you overcome fear, strife and violence?

1. Confess it as a sin and repent!
2. HATE with all of your heart!
3. Ask for the eyes of Jesus to see your situation and the people involved!
4. Proclaim God's Word when the temptation to act out of fear arises!

### **Super-power-weapons to conquer the spirit of violence released:**

Pray and proclaim the victory of Jesus:

For God has not given us a spirit of fear, but of power and of love and of a sound mind(2.Ti.1:7)!

And let the peace of God rule in your hearts, to which also you were called in one body; and be thankful(col.3:15)!

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the **peace** of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus(Phil.4:6-7)!

For **He Himself is our peace**, who has made both one made both one, and has broken down the middle wall of separation, having abolished in His flesh the enmity, that is, the law of commandments contained in ordinances, so as to create in Himself one new man from the two, thus **making peace**,

and that He might reconcile them both to God in one body through the cross, thereby putting to death the enmity. And He came and **preached peace** to you who were afar off and to those who were near(Eph.2:14-17)!

Therefore, beloved, looking forward to these things, be diligent to be found by Him in peace, without spot and blameless (2 Pe.3:14)!

Pursue peace with all people, and holiness, without which no one will see the Lord(Heb.12:14)!

Now the fruit of righteousness is sown in peace by those who make peace(Jas.3:18)!

...and by Him to reconcile all things to

Himself, by Him, whether things on earth or things in heaven, having made peace through the blood of His cross(Col.1:20)!

Then He arose and rebuked the wind, and said to the sea, "Peace, be still!" And the wind ceased and there was a great calm(Mk.4:39)!

**And the God of peace will crush satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen(Ro.16:20)!!!**

Hallelujah!!!

The 'Magic word': REJOICE

# WORSHIPPERS IN BIBLE

## DANIEL'S SUPERNATURAL WORSHIP ANOINTING

Bro. Jeyaraj

---

Hello! Beloved Worshipers, I know that you have already started seeing the powerful results of praise and worship in your places. I thought it might be useful to you all if I would talk some more about the supernatural worship anointing of Daniel.

He was the one who invited the supremacy and the dominion of the Kingdom of God through praise and worship. Beloved, may the Spirit of the Lord open your eyes to see the worship anointing that's on you. You can release this worship anointing to reach nations only when you have the revelation about the Kingdom of God. Revelation releases the anointing and the power of God.

Revelation accelerates the sovereignty of God's Kingdom. Revelation invades both heaven and earth. Revelation connects you to Heaven's will.

You have something special on you from the day you were anointed by the Holy Ghost. The Kingdom of God came into you with all its fullness and has been actively working in you until now. The whole of the 4th and the 5th chapter of Daniel only describes the sovereignty and the power of the Kingdom of God. Daniel's praise and worship influenced the life of king Nebuchadnezzar.

Maybe Daniel could have taught few things about His God to king Nebuchadnezzar and so the king felt to write to all people of all his provinces about the signs and wonders that the Most High God had done for him. By the time he wrote these signs and wonders, he had special revelations about the Kingdom of God and His dominion.

He understood that his kingdom was given to him by another King (El-Shaddai) who is the King of Kings and that everything in an earthly kingdom worked as per the desires and principles of this King of Kings. That's why in the 3rd verse he says, "How great His signs are and how mighty His wonders are! His Kingdom is an everlasting Kingdom. And His dominion is from generations to generations.

He understood that God is the one who nominates a king over a particular kingdom on this earth and that the whole of the earthly kingdoms are perfectly under the control of His Kingship. That's why at the end of this chapter you will find king Nebuchadnezzar ending his short biography with praise and worship to Daniel's God who is our God.

But king Nebuchadnezzar had to learn this vital lesson only after a horrific experience. Though he knew something about the Lord, he didn't have the knowledge or revelation about the sovereignty of our God at the beginning.

Now, the dream that he saw came to him before pride filled his heart which was the reason for his downfall. But have you ever pondered what birthed the dream? How can a gentile king see heavenly visions and dreams? What disturbed his sleep? How was he able to see angels and hear the voice of angels? Do you think king Nebuchadnezzar was so holy to see these visions? What became the root cause for the dream? What paved the channel for the dream?

It was nothing but the constant and ceaseless worship of Daniel which birthed the dream of king

Nebuchadnezzar. Do you know what can transform your place of living? It's your praise and worship. Praise and worship invites God. When He is on His throne, He manifests His Kingship and sovereignty. When praises abound His glory surrounds the nations. Kingdom's presence releases God's Kingship even to a gentile king. When Daniel focussed on God alone, the glory of God arose.

God is the King of Kings forever but He is to be praised for His greatness and so praise and worship is the channel through which you release God Himself. Now imagine your place of living. Let's say that there are 10,000 people living in your place and a ruler like panchayat head, a counsellor or a minister over them. When you start praising, you become the abode of God. Not only that, you are releasing God's glory through the praises of God. Now what happens is that the fear of God will grip that place.

Don't forget, when there was regular praise in the tabernacle of Moses, there was a heavy smoke in the Holy of Holies. There was a glory cloud which filled the tabernacle. There was a great fear of God which fell on the Israelites. The nearby nations also feared about the greatness of the Hebrew God. Your praise i.e., His praises in your mouth manifests the fear of the Lord in the place you worship. Then God's presence will disturb the rulers of the place. Mere praying won't work. God can intervene only through praise and worship and nothing else. Only His presence is the answer for that place.

God draws the kings and rulers only through his greatness. His greatness can manifest only through our praises. Beloved, don't be tired of things not getting changed in India. Do you know something? The Kingdom of God is very active in India. There has never been a situation like the one we are now facing in India. I should call it "POLITICAL CRISIS OR POLITICAL UNCERTAINTY". Do you know how this happened? It's because of the true worshippers who are worshipping the Father in spirit and truth in many parts of India. The very first sign to know how the Kingdom of God is active in a nation is that people would lose their hope on the leaders of the nation and the leaders of nation would lose their hope on people. This is because of God's sovereignty which breaks down the political systems and principles and will

initiate the manifestation of His greatness. On the other side, there will be natural violations (like murder, corruption, lies and what not) for which laws cannot be enforced. These are the things that are exactly happening in India. Praise God! He has risen over India. He has started to reign India. Thank God! All the politicians are failing because God has risen. Only Daniels can influence Nebuchadnezzars.

Praise and worship releases angelic watchers from the presence of God over nations. Heaven has ordained angelic watchers over every nation. (Daniel-4:13) King Nebuchadnezzar got terrified when he saw an angelic watcher, a holy one descending from heaven. This angelic watcher brought the message to king Nebuchadnezzar. Indeed it was the plan of God for king Nebuchadnezzar to lose his kingdom because he did not acknowledge the sovereignty of the Kingdom of God over earthly kingdoms. Praise releases angelic watchers from the spiritual realm into the natural realm. Daniel's praise released angels from heaven to intervene the natural realm. If you observe the history of the Bible, you will see that any time an angel appeared, there came a message and a powerful demonstration of God's power. This happened with king Nebuchadnezzar too. But the most interesting part of the scene was not this but something else.

The Holy Spirit opened my eyes to read what was there in the message given by the angelic watcher. The concluding part of the message has some awesome truths. If you read Daniel-4:17, you will find the angelic watcher saying, "This sentence is by the decree of the angelic watchers and the decision is a command of the holy ones, in order that the living may know that the Most High is Ruler over the realm of mankind." (Emphasis mine)

Now, the angelic watcher uses the plural words- "Angelic Watchers" and "Holy Ones". Who are these people who are called "Angelic Watchers" and "Holy Ones"? These are worshippers and not angels themselves. This message was given by an angelic watcher who descended from heaven as per 13th verse but the people referred to in the 17th verse are worshippers who stand before God continually. These worshippers are very different people.

You are such kind of people. You are ordained by

God for this holy calling. The truth is “Praise demands the execution of vengeance and judgement.” Praise imprisons kings and rulers. Praise remains a threat to all the strategies of the devil. You will understand this only if you read Psalms-140:6-9. These people are powerful worshippers who will execute vengeance and judgement of the Lord on kings and rulers through their high praises.

They will bind the kings with chains and the nobles with fetters of iron. Every praise and worship is like a chain and fetters of iron which can bind kings, principalities and rulers of this world and the unseen world. Beloved, I can authentically say that only worshippers are the ones who can execute something in India through their powerful high praises. The decree was the result of the high praises in the mouth of the worshippers (angelic watchers).

This kind of praise is like this-your praise becomes the throne of God for Him to execute vengeance and judgements on nations. Your Praise is His decree of judgement. Praise gets transformed into His execution of finality over nations.

God has sharpened your praise with His word, the two-edged sword. Make His word your praise song and that will execute great things in India. You are that kind of a worshipper. Do you know something? God can kick off the nations like how you kick a football. This happens only when angelic watchers and holy ones sing high praises.

Another interesting fact is that, that this is an honour for all His godly ones. This is a pleasure for our God. If God takes pleasure in us, the result will be that a great destruction will fall on the gentiles. This is what happened to the kingdom of Nebuchadnezzar. His kingdom was overthrown and he behaved like an animal and lost his glory and honour.

Beloved worshippers, India must experience this. And so, sing high praises to God and let Him fill your mouth with His decrees and commands. Expect great results through praise and worship. Let this nation know that this kingdom is from the Most High God. Let powerful judgements be executed through your praise and worship in the coming days.
