Yet now be strong, Zerubbabel," says the LORD; "and be strong, Joshua, son of Jehozadak, the high priest; and be strong, all you people of the land," says the LORD, "and work; for I am with you," says the LORD of hosts. "According to the word that I covenanted with you when you came out of Egypt, so My Spirit remains among you; do not fear!" (Hag.2:4-5)

### GRADUATION

# From our heart

Dearly beloved of God,  
Greetings to you in the Precious Name of our Lord Jesus Christ!

We wish you a Blessed, Prosperous, Powerful and Anointed New Year 2012. Our God is so gracious to bless us with one more year. He has been faithful all these years and He will be faithful in the years to come. Always be diligent in wearing the whole armor of God and stand against the wiles of the devil. Victory is yours in Jesus!

In this year 2012, God says, "I am with you" and "My Spirit remains among you; do not fear" (Haggai.2:4-5). Be bold and do His work like never before. In this issue of our magazine, we want to share with you the prophetic messages God gave us for 2012. May God take you into another level of glory and anointing. Let this year be a year of reaping thousand times more than what you have been sowing all these years spiritually, physically and materially.

By the grace of God and with your prayers, we have successfully finished the twenty-third batch of our School of the Holy Spirit. Seventy-two students from different states and nations have completed the course and returned to their places equipped with power and renewed vision. Already we have started receiving mighty testimonies from them. Please uphold them in your daily prayers.

As per divine direction, we will start our first-ever School of the Holy Spirit exclusively for LADIES in January (20.01-24.2.2012)! Already many have started to apply. Rush for your seat! Encourage your near ones and dear ones not to miss this God-given opportunity. A mighty revival is going to come. Many mighty women of God are going to rise up for God like Deborah and Esther. Get ready for the latter-days revival by attending this empowering, anointed School.

We will also have a powerful five-day seminar in the month of February (20th to 24th). If you are called to be an Apostle or a Prophet, apply now. This seminar is going to change your life and ministry forever.

Because of repair works in Jesu Pannai, Theni, we will celebrate our yearly Fasting Prayer at Bethel Mission Prayer House, Kattathurai, Nagerkoil. Plan to come with your whole Church! Bring friends and family to enter the New Year in fasting and prayer together with anointed servants of God! Discover God's plans and strategies for a continuous victory in 2012!

Continue to pray for us as we have many open doors in different international TV channels. We need dedicated, Spirit-filled professionals to work with us to take this prophetic anointing all over the nations.

God bless you

*Dr. Ezekiah Francis*

*We wish you a very happy & blessed New Year*

# Prophetic Word for the Year 2012

- Dr. Ezekiah Francis

**“Yet now be strong, Zerubbabel,” says the LORD; “and be strong, Joshua, son of Jehozadak, the high priest; and be strong, all you people of the land,” says the LORD, “and work; for I am with you,” says the LORD of hosts.**

**“According to the word that I covenanted with you when you came out of Egypt, so My Spirit remains among you; do not fear!” (Hag.2:4-5)**

2012 is the year for the Church to be strong and do the works of God. This is the time for God's Kingdom to be built. This is the time for the harvest to be gathered. This is the time to use every gift and talent for your Savior. God calls you this year to be strong and **work**.

No matter what happens around, no matter who rules, the Kingdom of God must progress and be built. This is the year for God's people to work in His Vineyard as never before. This is the year to multiply your five talents into ten talents. This is the year to find out your calling and to excel in it.

The days of selfishness and living for your own pleasure are over. All self-pity and complaining must cease. This is not the time to compare, compete and copy other ministries. This is not the time to be discouraged or distressed. This is the time to muster your courage and continue what you are doing for the Lord with more vigor and energy than ever before.

Your eyes must be lifted up to see the great need around you. Like Abraham, lift up your eyes and see the opportunities God gives you. Now is the time to lift your eyes and look toward the north, south, east and west and possess it (Gen.13:14-18).

**God’s work will take momentum and sincere workers will be highly rewarded. New doors of opportunities and new avenues will open up for those who give themselves fully to their callings.**

**The blessed Holy Spirit will arise like a tornado and show His mighty power through His friends who keep intimate fellowship with Him.** The teaching and preaching on the Holy Spirit and His manifestations will intensify. God’s ministers will realize that it is not by might, nor by power but by His Spirit. Yes, the Holy Spirit must be honored, welcomed and given total freedom to show His power of revival and judgment.

## **Enemies disheartened**

The enemy will try his best to delay and distract your work for the Lord. He will even try to stop your work and chase you away from your calling if possible. He will inspire his people to intimidate and weaken your hands. Thank God, the One who called you is almighty and He is sitting on the highest throne. Nothing can prevail against His Church. **The work of God which is ceased and was discontinued will once again begin to flourish. Many ministries will be restored. Hidden ministers will come to the public. God will give favor to His people and to sincere workers in the eyes of higher authorities and even the government.**

**This year you will see the glorious completion of God’s ministries and building projects which were hindered and delayed unduly. Enemies will hear and see it and be very disheartened.** They will perceive that this work was done by our almighty God (Neh.6:15-16). Hallelujah!

**Build on the Word**

This year you will see the clear difference between God's work built on the rock or on the sand. Heavy rain, cruel floods and mighty winds may beat against the House of God. The ministry and the churches built on the Word of God will not fall, for they are founded on the Rock. **The ministries that are built on human opinion, human knowledge and human strategies will collapse, and their fall will be great.**

Beloved! Lean on the bosom of the Holy Spirit as never before in your life. Talk to Him, love Him, keep intimate fellowship with Him and constantly tune yourself to His voice. Endeavor to know Him more by studying about Him and yielding to Him. Introduce the Holy Spirit and His power in your ministry by your teaching and demonstration.

Give top priority to your calling. Study the various gifts and callings of God. Find out your place in His Body and your specific assignments you have to fulfill in your lifetime. Remember, your calling demands your entire life, energy and time. Don't get entangled in the affairs of this life (2.Tim.2:4). Throw all your burdens and concerns on the Lord who cares for you and serve the Lord more diligently than ever before. You will see all other things taken care of beautifully and every desired blessing added to you automatically (Mt.6:33; 1.Pe.5:7). May God bless you this year beyond your imaginations and prayers according to the power that is working in you mightily.

# Prophetic Picture for the Year 2012

- Dr. Ezekiah Francis

Let me present a prophetic picture to you from 2nd Kings 2:19-22 for your pondering and meditation in this year 2012. God is welcoming you to enjoy His prepared table for your New Year 2012. Your God has already crowned your New Year with His grace and mercy. Your Breaker always goes ahead of you and searches the way you should go and prepares everything for you to accomplish your life mission on this earth.

## Recognition

The prophet Elisha had just received the mantle from Elijah, who ascended to heaven. Immediately people began to recognize the mantle and the calling of the departed prophet on the new leader-prophet Elisha (2.Ki.2:15). Yes, **this is the year of God's recognition shining forth on His anointed servants. Many young leaders will take the mantle of God's anointing, take new positions of leadership in the Kingdom of God and emerge into front line ministry.**

## Cities and nations

**This year God's anointed servants will have open doors for city-wide and nation-wide ministry.** The men of the city of Jericho requested Elisha for a miracle for their desperate situation. They said, "Please notice, the situation of this city is pleasant, as my Lord sees; but the water is bad, and the ground barren" (2.Ki.2:19). As you know, Jericho was a cursed city, the land was barren and the water caused miscarriages. People realized that no human effort or government could alter the crisis and avert the calamity. They recognized that only Holy Ghost ministers have the answer and remedy for the city's

situation. Wow! What an opportunity for God's anointed ones! What a demand for God's apostles and prophets! What a desperation in the land!

Yes beloved, **if you fully operate in your anointing, city mayors and national leaders will walk to the brightness of your rising** (Isa.60:1-3). In these End Times, nations will become desperate and national leaders impotent to meet the challenges and crisis. Ultimately, secular leaders have to run to the Church of God for supernatural answers. This happened time and again, during the time of Joseph, Daniel, Esther, Elijah, Elisha etc. **I believe that in this year, your city and your nation will seek your help for their problems. High level people will come to you secretly to seek your prayer help and prophetic word and your support.** Jairus, the noble man and Nicodemus all came to the Savior. This will happen in your life. Rise up to your position!

## New Covenant believers

See what Elisha said and did. "Bring me a new bowl, and put salt in it; so they brought it to him. Then he went out to the source of the water and cast in the salt their..." Wow! This is the prophetic picture of the End Time Church. You are the new bowl and the new creation. You walk under the New Covenant blessing and grace. You are the salt of this earth. You are anointed to bring saltiness and taste to this sin-sick, cursed world. You must go into this needy world. This is the time for the Church to wake up to this mountainous privilege and responsibility.

**God will release a mighty army of new Covenant believers with His power and glory to influence the society and the secular world. All**

these years, the Church has isolated itself from the society and the secular world. Unfortunately, the so-called “separation truth” was misinterpreted as isolation and thus our influence on the world was not felt so far. The very first blessing God gave to His people is **to fill the earth** and totally influence and **subdue it** (Ge.1:28). The Bible never separates the spiritual from the secular. Thank God, you will see more and more of the Church influencing and infiltrating the world with Christian principles and morals. You will see it and hear it this year in an increasing way. **God will lift up our younger generation to touch high level people, media, press etc.**

### Source

**See where Elisha went with the salt: “Then he went out to the source of the water and cast in the salt there...”**

Your Commander bids you to go into all the world. “All” includes every segment of society. As Elisha took the salt and the bowl and went out to the source of the water, your God is going out with you to the source of every problem. Remember, only the Church can deal with the source of human problems and national crisis. Anything man does can only bring remedy for the surface level. You know the reason for all violence, divisions, wars, terrorism, natural calamities, immorality and poverty is the devil, the arch enemy of God and His creation. Who can deal with the demonic powers other than you, the Holy Ghost person? You have the axe of God’s power to cut the root of every problem (Mt.3:10).

**This year God wants you to seek Him for His new direction and to launch out into the unreached world. Enlarge your vision.** See beyond your territories. Embrace your cities, districts and nations in your heart. Let your prayers cross the boundaries of your own need, your family and your ministry. It's high time to bless your city and target all the families of the earth. **Use every technology to spread the**

**good news and your message.** The world is using these technologies to spread bad news. Take it from the enemies hand and attempt big things for God. **This year is a golden opportunity for you to start many new things and venture to use mass media, social networks and internet to touch the world.**

### Prophetic Proclamation

God wants His Church to use the power of words to create a new world. See how Elisha prophesied to the waters of Jericho. He said, “Thus says the Lord: I have healed this water; from it there shall be no more death or barrenness” (2.Ki.2:21). **God’s apostolic and prophetic anointing will doubly increase this year upon His ministers and the Church, and the people of God will know the power of prophesying to this world.**

There is a place for intercession for the nations. Jesus, when He was in the flesh, “offered up prayers and supplications with vehement cries and tears” (Heb.5:7). We have to specially focus our prayers and intercessions for our cities, states and nations. It should not be a pathetic and hopeless cry like Old Testament saints. They cried between an angry God and rebellious nations. Your Savior quenched the anger of God on the cross and became the eternal Intercessor between God and man. Now every intercessor can share His throne, take His authority and prophesy to the nations.

Prophesy what God has done on the cross! Prophesy that the nations have been healed 2000 years ago! Prophesy that the nations are bought by the Blood of Jesus! Prophesy that the power of death was broken on the cross! Prophesy that barrenness and curse were cancelled on the cross! Prophesy healing and health to the Body of Christ! Prophesy the victory of cross over the principalities and powers!!

**The Church will see the power of prophetic prayers, prophetic declarations and blessings over the atmosphere.** Do it from the first day of this year

onwards. Proclaim the Word of God as often as possible. Create a new world with your word as the great Creator lives and speaks through you.

## Confirmation

**“So the water remains healed to this day, according to the saying of Elisha which he spoke”** (2.Ki.2:22).

Wow! What a God! He confirms the words of His servants. As you faithfully press on serving God with all your might and strength, God’s manifested Presence will be revealed wherever you go and whatever you do. “And they went out and preached everywhere, the Lord working with them and confirming the Word through the accompanying signs” (Mk.16:20). This Scripture will be fulfilled in your life and ministry this year as you earnestly desire His gifts to flow through you. **God will use His hungry servants with a double portion of His power and glory. Mighty signs and wonders will follow those who fully open themselves up to the flood of the Holy Ghost.** The world cannot be won by words only. They need to see the mighty power of God. The message of condemnation and hell will not win this world for Christ. The message of God's grace, God’s love and prophetic proclamation will draw the world to the cross. That is the New Covenant message. God is calling you with a great longing to use you as His mouth piece to your sphere of the world. Be bold and proclaim. God is with you and He will make sure that none of your words fall to the ground this year (1.Sa.3:19)

## Release the rivers

**God wants to release the healing rivers through you in a greater level.** Elisha healed the waters of Jericho by prophetic action and prophetic word. Yes! You will bring the New Covenant blessings, prophesy to your circumstances and bring great healing. Thereby you will break age-long curses over families, cities and nations (2.Ki.2:19-22).

Secondly, **you are anointed to turn the water of Marah into sweet water.** Do you remember the prophetic picture of Marah during Israel’s time under the leadership of Moses? God’s people began to complain because they could not drink the bitter water. Moses prayed and the Lord showed him a piece of wood. When it was thrown into the water, the water became sweet (Ex.15:22-27). Yes, all the bitter waters of this world were made sweet by the cross of Calvary. People don’t know it yet. God wants to give you the revelation of His cross as never before. **I prophesy that as the end of the world approaches, more of the blessings of the Cross will be revealed to the Church. The more people see what the Savior has accomplished on the cross, the more they will be drawn to Him. The Church also must see more of the blessings of Calvary as never before. This year God wants to reveal the cross in a greater depth to His Body.** Embrace it, teach it, preach it, prophesy it and change the bitter life of people into a sweet life.

Thirdly, **God wants to release His healing rivers through you: Healing for the body, soul, spirit, families, emotions etc.** This healing river is lying dormant within your spirit for a long time. God wants to take you into a deeper level of His anointing. Don’t stay back in the ankle deep, knee deep or waist deep waters of His Spirit. Allow the Holy Spirit to lead you into the swimming level and see the rivers of living waters flowing from your spirit, bringing healing to the people around you and to the nations. Believe it! Proclaim it! Go with it this year, in Jesus name (Eze.47:1-12)!

May the Lord enlarge your vision and your territory. May the Lord use you as His mighty curse breaker, healer and influence to your world. We wish you a glorious, Holy-Ghost-empowered, nation-changing year 2012!

# Prophetic Word for the Year 2012

*Rev. Benita Francis*

**“They shall be Mine,” says the LORD of hosts, “On the day that I make them My jewels. And I will spare them as a man spares his own son who serves him.” Then you shall again discern between the righteous and the wicked, between one who serves God and one who does not serve Him (Mal.3:17-18).**

**This year of 2012 will be a year of clear distinction. Even the mocking world will once again see the difference between the righteous and the wicked, between one who serves God and one who does not serve Him. The unbelieving world will have to see and admit in astonishment how God honors those who honor Him (1.Sa.2:30). People will be able to see the favor God bestows on a good man and the condemnation coming on a man of wicked intentions (Pr.12:2). Men of wicked intentions are going to be hated even by their own followers and devotees. We will see such men of wicked intentions imprisoned and murdered by people close to them, even in government and political spheres (Pr.14:17).**

**In 2012, wickedness will help attacking and destroying its own allies, as it happened in the Bible in 2<sup>nd</sup> Chronicles 20:23. By your prayers and praise, impossible situations will be turned around, and righteousness will reign. As two evils help to destroy each other, good will emerge like a secret weapon which God in His wisdom had been hiding until His perfect moment of showing forth to the world. In several nations, such sudden swings of political rulership will happen and bring righteousness, peace and tranquility to suffering people.**

**In 2012, the one thing God strongly requires from His chosen ones is that they use the victory strategy of King Jehoshaphat found in 2<sup>nd</sup> Chronicles Chapter**

20. When King Jehoshaphat saw himself threatened by a great multitude, he set himself to seek the Lord. **In this year of 2012, your victory will come only by positioning yourself to seek the Lord.**

**In 2012, your help will not come by might or by power or by human or military strength and ability (Ps.33:17; Zac.4:6). All the opposite, if you seek your help or your refuge in human strength, you will not only be disappointed but even hurt (2.Ki.18:21; Isa.36:6). If you trust in man and make flesh your strength, you make your heart depart from the living God and draw curse upon yourself (Jer.17:5). God Himself declares woe on those who seek their help outside of Him (Isa.31:1).**

In 2012, your help is in the Lord who made heaven and earth (Ps.124:8). He will help you and deliver you from the wicked, because you trust in Him (Ps.37:40). You will be happy because you have the God of Jacob for your help, and your hope is in the Lord your God who keeps truth forever, executes justice for the oppressed, gives food to the hungry, gives freedom to the prisoners, opens the eyes of the blind, raises those who are bowed down, watches over the strangers and relieves the fatherless and widow. Your God loves the righteous, but the way of the wicked He turns upside down, and the world will once again see the difference between the righteous and the wicked (Ps.146:5-9).

In 2012, you will experience and be strengthened by the victory secret of King Hezekiah who could say about his mighty enemy: “With him is an arm of flesh; but with us is the LORD our God, to help us and to fight our battles” (2.Chr.32:8). Not only you alone will have victory, but your faith and your testimonies will also strengthen other believers to stand strong and

unwavering in any storm of life.

**In 2012, one of your victory weapons will be calls for public family fasts according to the guidance of the Holy Spirit.** Victories in the spiritual realm will be won as God's people set aside all their own agendas and concentrate together on seeking the Lord. King Jehoshaphat not only positioned himself to seek the Lord and make clear he would not seek help anywhere else; he also proclaimed a general fast. Before all the national leaders, King Jehoshaphat declared and confirmed his trust in his God. He kept proclaiming the past faithfulness and victories wrought by the Lord until the Holy Spirit gave a clear war strategy through one of His priests (2.Chr.20:1-14).

**In 2012, you will operate as a king and a priest unto God as a believer in Jesus Christ (Rev.1:6).** Your God is challenging you to expect His Holy Spirit to come upon you to reveal His heavenly strategy to fearful, confused spiritual, secular and even national leaders. **Surprising doors will open for God's faithful ones to minister to and counsel political leaders like never before. The powers of Elymas will be broken, and leaders will be free to hear and receive the truth of Christ (Ac.13:6-12).**

In 2012, you will experience that the battle is not yours, but God's. You will rest in the finished work of Calvary, knowing that your God is not only with you but in you to fight your battles. Battles will come, but you will come out victoriously as you position yourself to receive and obey God's strategies. You will move only at God's clear command and thus avoid all the pitfalls of satan.

**In 2012, your success and victory will be born out of genuine worship and true heart-felt praise for Jesus.** Your exemplary life will make even national leaders to understand and command like King Jehoshaphat, "Believe in the LORD your God, and you shall be established; believe His prophets, and you shall prosper" (2.Chr.20:20).

In 2012, as you advance declaring the praises of your God, He Himself will set ambushes against your enemies. Your enemies will help to destroy one another, and you will gain an abundance of valuables out of every attack the enemy launched against you. You will rejoice with joy, and the fear of God will fall upon all your enemies.

**In 2012, God's Kingdom will progress mightily and be established in areas that were closed and practically unreachable up to now.** Many new Kingdom endeavors will be launched targeting especially such neglected areas.

**In 2012, there will be a clear distinction not only between the world and believers in Christ, but even inside the Body of Christ.** The time has come for judgment to begin at the House of God. Hidden heart attitudes will come to light. Those who admit their wrong and judge themselves will not be judged and can avoid being chastened by the Lord (1.Pe.4:17; 1.Co.11:31-32).

**In 2012, we will witness the beginning of the time of ingathering of the harvest.** The angels are getting ready to gather in first the tares planted by the enemy for destruction. The Son of Man will send out His angels, and they will gather out of His Kingdom all things that offend, and those who practice lawlessness (Mt.13:24-30,37-43). Brother-haters and resentful Christians will be severely tormented in the flesh for the salvation of their spirit since they are considered liars and murderers in God's wise eyes (Mt.18:21-35; 1.Jn.2:9-11; 3:15; 4:20; 1.Co.5:5). Yet as they decide to forgive, bless and love, their healing will spring forth miraculously and speedily. Worldly doctors and hospitals will marvel and worship at the sudden recoveries from deadly diseases that happen just by forgiving and releasing the offender from judgment, and many will be gloriously converted, especially among the medical personnel (Isa.58:6-7).

**In 2012, we will see a great purification of the Body of Christ in many nations. Scandals and accusa-**

**tions, both false and true, will actually turn out for the furtherance of the Gospel. All of these will only increase the boldness in the true believers. Man-made divisions and denominations will crumble and fade away as believers stand together in true unity for the defense and confirmation of the Gospel (Phil.1:3-21; 1.Pe.3:15). True believers will become single-minded and fully Kingdom-focused. As they strive to preach the Gospel of the Kingdom to the ends of the earth, astounding and striking discoveries will be made by Christians that will benefit countless millions (Mt.24:14; Jer.33:3).**

**In 2012, many Christian ministries will make shocking discoveries of selfish ambitions, fleshliness, worldliness and unfaithfulness to the point of treason among their own people. Yet don't despair! Factions and divisions must occur, so that the approved ones may be recognized inside the Body of Christ (1.Co.11:19). Remember, all who desire to live godly in Christ Jesus will suffer persecution, and rejoice (2. Ti.3:12). All these fiery trials will only contribute to display the glory of the risen Savior as you follow His battle strategy. Each and every**

persecution you encounter is just an opportunity for you to enjoy more anointing and exceeding joy (1.Pe.4:12-19).

In 2012, questions like, "Now if the righteous one is scarcely saved, where will the ungodly and the sinner appear? What will be the end of those who do not obey the Gospel of God?" will become a revelation in many believers' hearts and **launch a strong movement of evangelism. This wave of evangelism will not be law-based and condemning, but fiery hot with God's saving love and based on the understanding that it is the grace and goodness of God that leads to repentance (1.Pe.4:17-19; Ro.2:4-16).** Satan's kingdom will suffer serious damage as believers understand Jesus' Words, "He who is not with Me is against Me, and he who does not gather with Me scatters abroad" (Mt.12:28-30; Lk.11:20-23).

**In 2012, as nations and national leaders grope around in darkness and confusion, the true Church of Jesus Christ will emerge in ever increasing glory, beauty and purity and begin taking its role and position as the glorious Bride of Christ.**

1. Anna Hazare's anti-corruption movement that saw Indians rally in support has been named among the top 10 news stories in the world this year by Time magazine.
2. The top news stories of 2011 were the Arab Spring that spread to a number of countries. "When a young man set himself aflame on a street in the Tunisian town of Sidi Bouzid, his cry of anguish at the hardship of life under a stifling autocracy echoed across the region. Within weeks, his protest had sparked a full-blown people-power revolution that spread quickly throughout the Middle East.
3. The killing of Osama bin Laden in a covert United States raid in Abbottabad, is ranked second in the 'Top 10 World-News Stories' by Time magazine.
4. The devastating tsunami triggered by Japan's most powerful earthquake (measuring 9 on the Richter scale), devastation in northeast coastal Japan, forcing the government to declare emergency at two nuclear plants after their cooling systems failed. "The quake and the waves it produced decimated towns and cities along an entire stretch of the northeastern Honshu coast. Nearly 16,000 residents are estimated dead, and the price of the disaster may reach into the hundreds of billions of dollars."
5. The Libyan dictator Muammar Gaddafi, a maverick who had ruled the country with an iron hand for over four decades, was shot and killed by rebels in his hometown of Sirte on October 20 after weeks of heavy fighting. The former Libyan strongman died of his wounds after being captured from a hole where he had been hiding.
6. Leaders of the Palestinian Authority, this year, chose to appeal to the United States directly in their pursuit of statehood. The United States, however, said that they would veto any resolution on Palestine statehood in the powerful United Nations Security Council. The US argued that any statehood recognition should come through bilateral negotiations with Israel.

## TESTIMONIES FROM OUR SCHOOL OF THE HOLY SPIRIT

I thank God for Berachah Prophetic Ministries. The School of the Holy Spirit has been a great blessing to me. Since 2004 I have been serving the Lord with different ministries. Yet when I finally entered Poondi, I came empty-handed. Here at the SOHS, I understood that I already have everything inside of me through Christ. In this school I have learned many things. The most important thing is “How to walk with the Holy Spirit intimately”. Now I am really enjoying the Holy Spirit in a very personal way. Every day I hear His voice and walk with Him. Here I understood very clearly that “ministry” is not me doing anything, but just allowing the Holy Spirit to live His life through me. My life has been transformed completely. Hallelujah!

Before coming to the School of the Holy Spirit I was a very lonely person. I wouldn't mingle with people even though I was doing ministry. But now I have changed totally. I can move with people without fear and all the gifts are operating in me. In some sessions I was asked to translate on stage and I was able to do it with Holy Spirit boldness. My mother who attended one of the weekend seminars in this School got miraculous healing from diabetes, heart problem, high blood pressure, arthritis, allergy and thyroid disease when Sis. Benita prayed. I am very happy and I praise God for Berachah conducting this School. God bless you.

My life is totally transformed by the word and the anointing in the School of the Holy Spirit. I really enjoyed the presence of God and saw visions and heard the voice of the Holy Spirit. Now I know clearly the power and anointing we have in Christ and I realize the responsibility and my part to be done in the coming days. Thank you Bro. Ezekiah and Sis. Benita for this School of the Holy Spirit.

I came with many confusions and questions to the School of the Holy Spirit. God delivered me from the confusions I had. I saw my spirit man in a vision. After that I saw many visions for me and others. Everyday my relationship with the Lord grew stronger. I started to get clear strategy from the Lord. I became very strong in the Lord. Praise God.

I am a senior pastor from Kanpur, Uttar Pradesh. Before coming here, I was facing so many struggles in my family as well as in my ministry. One day when I was praying to know God's will, I heard an inner voice telling me to attend this School of the Holy Spirit. So I handed over the two churches and my family into the hand of the Holy Spirit and came to attend this school. This school changed my life upside down. Now I am enjoying the presence of God more and walking intimately with the Holy Spirit. All my wounds are healed. I came with much hurts but God healed and filled me with great joy. Christ in me is the hope of Glory.

From the very first day of the School of the Holy Spirit I have experienced many new things. I came here with so

many wounds. God healed me and my life has been totally transformed. The teaching on Quiet Time enabled me to experience intimacy with Jesus. Dr. Ezekiah Francis' and Rev. Benita Francis' teachings are wonderful. Now my thinking and attitude are completely changed. Now I know who I am in Christ. I am very much thankful for this ministry. Now I am part of the Berachah Family. I really praise God for this opportunity and for molding me according to His will. This is not a Bible School but a heart changing School.

I praise and thank Almighty Lord for His grace and mercy which brought me to this School of the Holy Spirit. God has opened my spiritual eyes to several truths in the Bible. Now I am confident that I can do His ministry powerfully. I am greatly indebted to Dr. Ezekiah Francis for giving me this golden opportunity. God bless Berachah.

I have been doing ministry for the past 20 years. In this School of the Holy Spirit, God strengthened me. I understood so many spiritual truths from the teachings given here. I understood the importance of walking with the Holy Spirit and hearing God's voice. I also saw a drastic change in my Quiet Time and I understood the importance of Tongue Talking. Thank you all Berachah team.

# *The School of the Holy Spirit - Report*

- Dean of SOHS, Brother Alex

This School of the Holy Spirit was distinctly different from past Schools in three ways:

1. Dr. Ezekiah Francis and Rev. Benita Francis personally oversaw the students over the three month period.
2. Weekend Seminars were conducted during this period which were open to others as well.
3. Couples were welcomed to the SOHS. Before that, Schools were conducted exclusively for brothers.

The SOHS started with much anticipation and excitement. As a team, we were excited about the new beginning. We were filled with expectation as to what God Almighty would do during these three months.

Seventy-two students arrived on 15<sup>th</sup> September from Sri Lanka, Kerala, Tamil Nadu, Karnataka, Andhra Pradesh, Maharashtra, Uttar Pradesh, Jharkhand and Burma at the Berachah Campsite at Poondi. A few days into the School, everyone settled into their routines which included a time of prayer, work duties, times of talking in tongues, collective reading of the Word, faith declarations, Word confessions, video sessions, fun and exercise times and much more. Group discussions were done with students taking turns in leading the groups.

Every morning, the students woke up to a collective time of prayer and meditation. They were also given their own personal exclusive times with God. The Word says in Hosea 2:14-20, “Therefore I am going to allure her; I will lead her into the desert and speak tenderly to her. There I will give her back her vineyards and will make the Valley of Achor a door of hope. There she will sing as in the days of her youth... In that day... you will call Me ‘my husband’... I will remove the names of the Baals from her lips; In that day I will make a covenant for them... I will betroth you to Me forever; I will betroth you in righteousness and justice, in love and compassion. I will betroth you in faithfulness and you will acknowledge the Lord.”

The Lord betrothed them to Him and gave back many a vineyard. God made Berachah Campsite a door of Hope. Many of the students sang again as in the days of their youth as their first love for the Lord was rekindled. Students who were absolutely timid and shy ended up translating in sessions, leading worship and leading group discussions. Talents and gifts came to the foreground as God gave them back their vineyards.

The weekend seminars included topics such as Breaking Cruel Curses and Soul Ties, Hearing God’s Voice, Walking and Working with the Holy Spirit, In Christ, Faith, Knowing and Developing your Calling, Making your Family Life a Bliss and Blessing. Dr. Ezekiah and Sis. Benita were the main speakers at all these seminars. Other topics included Worship, Finances, Time Management, Leadership Training and many more by over 35 specially invited guest preachers, counselors and spiritual sons of BPM. Brothers Milton and Hebic ministered as wardens.

God made a covenant with the students at SOHS. The Word again says in Hosea 2:23, “I will plant her for Myself in the land, I will show My love... I will say, you are My people and they will say, ‘You are my God’.”

God proved Himself faithful once more! All praise, glory and honor be to Him alone! Amen.
