Our heartfelt wishes for your dream fulfilled New Year! May the Lord grant all the desires of your heart this year and release you into your high calling.

We are ever thankful for having you as our dear partners in this God raised ministry. Your faithful and regular support for this ministry can never be forgotten by God. Great is your reward in heaven and on earth. I thank you from the bottom of my heart for your commitment to stand with us till the end of our lives. The anointing and the blessings God has bestowed upon this ministry will rest upon you and your family.

New year is welcoming us with golden opportunities to serve King of Kings and Lord of Lords. When we were praying for the new year promise, me and my wife got the same promise for this year. We both have written the new year promise message in this issue. Always remember you have a part to play in the fulfillment of God's promises. Read Malachi 4th chapter and claim as often as you can. This year learn to live by God's word. The word of God is your shield against all the fiery darts of the enemy. Please practice the habit of proclaiming God's word boldly. You will be marveled to see the tremendous effect of it.

God willing our School of the Holy Spirit for 40 days will begin on 10th of this month. We expect around 120 students from all over India. We need your special prayers everyday for this life transforming school.

We hear mighty testimonies from the students who went through our schools in the recent past. I feel such a sense of urgency in my spirit to conduct such schools all over India. I clearly see the harvest is plentiful in our country but the laborers are few. We must muster all our energy and resources to train spirit-filled laborers and send them into the harvest field. Many of our partners requested us to have mini school since they couldn't find time to attend three month school. So we endeavor to conduct such mini schools every now and then. Of course we will have three month school from August to November. Kindly plan to participate.

We will also have our regular three days fasting

prayer at Theni from January 14th to 16th. This fasting prayer is going to be awesome. This is your rare opportunity to swim in the Holy Ghost and to hear His prophetic direction for the years to come. I would encourage tamil believers to use this opportunity as it is the only tamil program we have in a year.

Our Apostle and Prophet school would start on 19th of February 9.30AM to 23rd of February 3.00PM. Applications are piling up very fast. Please rush for your seat as we have very little seats. I decree that this Apostolic Prophetic School would transform your life with fresh truth and elevate your ministry into another level of glory.

God is deeply burdening my heart to bring all His revelations that He graciously revealed to me all these years as books and CD's. I have a specific commission from the Lord to record New Testament prophetic commentary. I need lot of God's and man's help. For that I plead with you to stand in prayer for this monumental work. Future generations will be blessed through this effort.

Continue to pray for our German TV programs. We need more prayer support for this. Other channels also want our programs, but due to technical problems we are not yet in a position to step into more channels.

Visit our website www.ezekiahfrancis.org and our Facebook EzekiahFrancis for updates, and follow us on Twitter EzekiahBPM.

Pray also for my dear wife, our aged parents, counselors, key leaders, coordinators, staff and partners.

May God bless you and your generations!

In Him,

Your loving brother

2013 Promise

Dr. Ezekiah Francis

But to you who fear My name the Sun of Righteousness shall arise with healing in His wings.

And you shall go out and grow fat like stall-fed calves. You shall trample the wicked, for they shall be ashes under the soles of your feet on the day that I do this, says the Lord of hosts (Mal.4:2-3).

This is God's rhema promise for 2013.

This is the year of major distinction between God's severity and God's security shown to His enemies and His trusting children.

This is the year of mighty healings. This is the year of trained soldiers launching out into their calling. This is the year of God's people exercising God's judgmental authority over their enemies. This is the year of Holy Ghost manifestations. This is the year of family restorations.

Major distinction

This year will burn like an oven and consume the proud and wicked (Mal.4:1). But the good news is, **'but to you who fear My Name'**, safety, security, health and victory is promised.

Throughout the Bible you can see the difference between the righteous and wicked. The difference between those who serve Him and those who don't serve Him is explained explicitly (Mal 3). Mal.4:1to2 shows a major difference between those who oppose Him and those who obey Him.

Take for an example Noah's time. The torrent of flood destroyed great multitudes. On the other side, the same flood elevated the arc of Noah higher and higher. In this year you will see this repeated. No matter how much the ocean roars and the flood damages people, the child of God is safely inside the arc of heaven, our Lord Jesus

Son. The Bible clearly prophesies that, in the last days perilous times will come. People who trusted human covering and security shall scatter as they see their human towers fall while people who trusted in the eternal rock Jesus will stand tall and steady. The snares of the fowler, perilous pestilence, terror of the night, arrows of the day and destruction will increase for the world. You will hear of earthquakes, tornados, cruel accidents, murders, flood damages, extreme heat, burning fire and difficult climatic conditions this year. But for God's children, thousands may fall all around but cannot come near them (Ps.91:3-5).

Mighty healings

The river of healing will rise in the Body of Christ. People who came under the wings of Jesus will experience the rays of healing penetrating them and through them healing others. The healing I mean is a total healing - healing of the body, emotional healing, relationship healing, inner healing and spiritual healing. When Christ was on this earth, every cell of His body was charged with healing power. That is why people thronged to touch Him. "And the whole multitude sought to touch him, for the power went out from Him and healed them all" (Lk.6:19). With all the increasing knowledge of medical science, diseases and pestilences constantly increase. Satan may try to throw his ugly sickness even on God's children. Children of God should rise up against him and manifest the mighty healing anointing to destroy his work.

I believe the church of God will rise up with new revelation knowledge of healing truths and step out into a new realm of healing ministry. I strongly advise every child of God to confess Psalm 91 as often as possible. Pestilence and destruction may mushroom everywhere. Those who dwell in the Secret Place of the Most High and abide under His shadow shall enjoy the perfect health of their perfect Daddy.

Intense Outreach

Many of God's trained people will go out boldly to fulfill their divine destiny. 'You shall go out and grow fat like stall-fed calves'. Those who were fed by God's Word and trained by God for years will manifest to the world their gifts and callings. A new vigor, willingness and enthusiasm will come into the children of God to jump like well fed calves. The reason God heals people is for them to serve Him. When Christ touched the hand of Peter's mother in law, 'the fever left her. Then she arose and served them' (Mat.8:14,15). The moment God heals you, rise up to serve Him and His people. Many people lose their healing when they don't use their healthy body to serve God's Kingdom. This year God expects us to go forth and to do good to the people.

Judgment authority and victory

People who stay under the wings of God will trample their enemies and make them ashes under their feet. This I believe refers to the judgmental authority of the church of God exercised by every believer. To be a member of Christ's Body is the greatest privilege and responsibility.

In the book of revelation, the very feet of the Son of God were 'like fine brass, as if refined in a furnace' (Rev.1:15).

Now in His spiritual Body, He wants to stomp over His enemies through His feet, even through the least member of His Body. For years, the church of God didn't explore and exercise this judgmental authority. I believe this year we must use the baptism of fire and predict judgment over the enemies like Paul did (Ac.13:6-12).

Holy Ghost outpouring

As we approach the Last Days, we will see the anointing of Elijah manifesting in a greater measure uniting the hearts of fathers and children. 'Behold, I will send you Elijah, the prophet... he will turn the hearts of the fathers to the children, and the hearts of the children to their fathers' (Mal.4:5-6). The anointing of Elijah also refers to the anointing of signs and wonders. We will see greater manifestations of the Holy Spirit in the coming years. Such manifestations will bring a revival and restoration of families.

What God expects from us

a)Fear His name

The fear of God is tragically missing in the Church of God today. In fact, one of the great secrets of the Early Church growth is the fear of the Lord. 'Then the churches throughout all Judea, Galilee and Samaria had peace and were edified and walking in the fear of the Lord and in the comfort of the Holy Spirit, they were multiplied' (Ac.9:31). Fear of the Lord and walking in the Holy Spirit are inseparable. The fear of the Lord is an anointing: 'The Spirit of the Lord shall rest upon Him, the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and of the fear of the Lord. His delight is in the fear of the Lord' (Isa.11:2-3).

Our Lord Jesus Christ was filled with the fear of the Lord and delighted in it as in a sweet fragrance. In this year God wants to restore the spirit of fear of God in us. The fear of the Lord is not a negative fear in any sense. We fear snakes and scorpions. That is a totally negative fear. The fear of God in the Bible comes out of a deep love and reverence for God. You love God and honor Him so much that you tremble to injure Him or hurt Him anyway. This fear is also the result of thankfulness to God. You dare not to grieve Him, the One to whom you are eternally grateful. In this year deeply study the names of God and His nature which will increase your love and reverence for your God. That will release the mighty healing power within you.

b)See yourself in Christ and stay in His Word

As a believer, you are eternally grafted into Christ (Rom.11:24).The day you came into Christ, you came under the shadow of the Almighty. Since then, He became your refuge and your fortress. So no evil or plague shall come nearer to your dwelling (Ps.91:1-2, 9-10). Meditate constantly who you are in Christ and what you have in Him.

Make the Word of God also as your shield. 'His truth shall be your shield and buckler'(Ps.91:4). Remember, living in God is living by His Word every day of your life (Mat.4:4). Get the Word revelation by deep meditation of His Word. Practice to proclaim His Word as often as you can. This will be your security, victory and extraordinary health.

c)Launch out for God

As God is enlarging your vision and calling, boldly launch out into new fields and ventures. Decide to come out of your comfort zone and to risk your life for God’s Kingdom. Don’t wait for your opportunity. Go into your world and preach the gospel. Find out your talents and be fruitful for God. Confirm your calling and commit your life totally to it. The Holy Spirit is very active as the day of the Lord approaches. Walk in fellowship with Him and be a vessel of great usefulness.

d)Seek and search the truths on God’s healing and miracle power

God is desperate to show His mighty healing and miracle power to His church and to the world. There is no point in crying and begging for the manifestation of His power. Start a study on the healing and miracle power of God from Genesis to Revelation. Always remember, God’s vehicle to heal and to bless is His Word. He sent His Word and healed their diseases. This year meditate

and mutter the Words of God on healing as much as you can. It is not mere prayer that heals the sick. It is the prayer of faith that heals the sick.

Faith comes only by hearing the truth, not by begging and pleading. If you want healing power to manifest in your life or through your life, start hearing the Word on healing and health and build your faith for it. Then you will naturally pray the prayer of faith and explode in healing ministry. Read the books on healing by those who had a successful ministry of healing. Listen faith building messages. God wants to use you in this most needed ministry of healing which is the most important key to win the world for Christ. May the Lord multiply you and use you as never before in this New Year.

TESTIMONIES

Praise God. I want to share this testimony for the glory of God. I attended the three month School of the Holy Spirit. Yesterday in our Sunday service while worshipping, I prophetically said “God is a healing a woman who came with complete back pain from neck to waist. Who is that person?” Immediately a woman stood up and said that she came in such a state where she was not able to sit also. In a fraction of a second, she was healed and she testified. Hallelujah! Also three ladies told me that while I was sharing the gospel someone in a white garment stood beside me. This is the movement of the Holy Spirit everywhere I go. Amen. Praise God.

All the ladies who attended the School of the Holy Spirit for women are totally transformed. Each husband gave testimony about his wife. During the Sunday worship all the ladies manifested their gifts and our church received mighty anointing and testified. To God be all glory and praise.

After the School of the Holy Spirit I could see a great change in my family and spiritual life. My in-laws are telling everyone that I have changed a lot. Everybody in my church want to come to Berachah to receive the blessing I received. Now every day I am enjoying my life with the Holy Spirit like never before. I learned to be led by the Spirit. Whatever I learnt in the school of the Holy Spirit I am teaching in my church and I really thank Ezekiah anna and Benita anni for giving the opportunity for the ladies to know and enjoy the life in the Spirit.

Alphonsa

Pollachi

Before coming to the Holy Spirit school I was a very shy person and I had an inferiority complex. After going from the school I became very bold and God is using me powerfully. Demons are screaming and I could flow in the gifts of the Holy Spirit. Praise God and thank you anna and anni.

Sunitha

We are doing ministry for the past few years. But I was not fully involved in the ministry with my husband. After coming to the school of the Holy Spirit my life has taken a very big shift. Holy Spirit touched every area of my life and my perspective about God has changed and I am

teaching this truth to our church people. Glory to God and thanks to Berachah.

Deepa Jacob

Chattisgarh

Before coming to the school of the Holy Spirit I was very unhappy in life. I tried many times to commit suicide. But in the school of the Holy Spirit God delivered me from the spirit of suicide and I was filled with the Joy of the Holy Ghost and now in my house in our family prayer we play the CD and me and my husband are dancing and worshipping the Lord. My life became so easy with the Holy Ghost and I thank anna and anni for it.

Sudha

Virudhachalam

I came to the school of the Holy Spirit in a depressed state because of so many problems in my family and also in the ministry. My own family members rejected me and it hurt me so much. During the school, the Holy Spirit touched each and every area of my life and Benita anni took a class about family life and marriage. It really changed me upside down and now my husband couldn't believe the change happened in me. We are enjoying our family life like never before. Thanks to God and anni.

Jeya Thomas

Neyveli

After coming to the School of the Holy Spirit my spiritual eyes have opened widely and my spiritual and physical life style has changed a lot for the glory of the Lord. My family is happy and my people in the ministry are excited and blessed more. They couldn't believe their eyes. I used to sit and preach after my bypass surgery but now I am walking and preaching like my anna and roar against the devil and breaking his yoke and curses like my anni. Life is so wonderful because now I have fully understood Christ who lives in me as the hope of glory. Every day is enjoyable for me and all I am concerned and keen is to have closer and closer fellowship with my Lord, my sweet Holy Spirit. He takes care of all other things. My heart is filled with gratitude to our Lord and you both and the team who are laboring in His vine yard to raise an army by fulfilling His promise.

2013 Promise

Rev. Benita Francis

2 But to you who fear My name the Sun of Righteousness shall arise with healing in His wings; and you shall go out and grow fat like stall-fed calves.

3 You shall trample the wicked, for they shall be ashes under the soles of your feet on the day that I do this, says the LORD of hosts (Mal.4:2-3)

In 2013, the distinction between those who belong to Jesus and revere His Name and those who don't will be very clear. There will be doom, fear and confusion for the unbelievers, but for God's people, there will be a strong and safe refuge: "The name of the LORD is a strong tower. The righteous run to it and are safe" (Pr.18:10).

In 2013, believers will learn to fear the Name of the Lord - not by being afraid of God, but by honoring Him, putting Him and His Kingdom first and acknowledging Him in all their ways (Mt.6:33; Pr.3:6). Believers will learn to walk conscious of His Presence in them and therefore display more and more of His character to the world. The difference between those who know the Lord and those who don't will become more evident as believers grow in Christ-inside-consciousness.

In 2013, studying and loving the Name of the Lord will be a main subject in many denominations. Those who take His Name serious enough to study its different aspects and meanings will enjoy the privileges of Jehovah Shalom, Jehovah Shammah, Jehovah Rohi, Jehovah Jireh, Jehovah Nissi, Jehovah Tsidquenu, Jehovah Rapha and most importantly, the all-inclusive Name above all names, the Name of Jesus.

In 2013, God will make Himself known to those who seek Him and even to some who don't. Religious wars will make many people question who is the true

God. Others will decide to deny and resist any god or deity and indulge even more in a self-centered, self-seeking lifestyle.

In 2013, we will see selfishness increase tremendously. Many fraudulent, deceptive schemes and scams will go around the earth. Lie and deception will rise up like a mighty river, but God will raise up a banner against it and make it to fizzle out through His honest believers inventing a powerful social media platform and spreading the truth through it. The polarization between truth and lie will create a faithful remnant and even cut through families and closest friends. Knowing the Truth shall be the greatest privilege and a real life-saver through the guidance of God's precious Holy Spirit.

In 2013, God's righteousness will become more evident as true believers allow Jesus Christ, the Sun of Righteousness who already arose inside of them, to manifest and shine through their lives. Such believers will no longer duck down and stare at their big problems like rabbits hypnotized by a snake. They will stand up tall and allow Jesus, the Sun of Righteousness, to shine through them and manifest Himself freely. As they do that, the problems before them will bow down and just dwindle away (Jas.4:7). Lie will be defeated, and righteousness shall reign, one case at a time.

In 2013, God-fearing and God-revering Christians will experience a new level of health and healing. The Sun of Righteousness inside of them, Jesus Christ, has brought His healing into their spirit. True believers will concentrate on the indwelling Christ and learn to release His healing into their own bodies and also into others. The Name of Jesus will be glorified by many healings done by simple believers all over the world.

In 2013, true believers will run like never before with this good news of divine health and healing. This

healing is in His wings, and Jesus wants it to go all over the earth. Groups of believers, even groups of children and youth, will travel by airplanes to carry God's healing power into nations darkened by spiritual and political oppression. Great harvests of souls will be the result of these supernatural believers running with the healing wings of God. Some groups of children will even be received into palaces to perform and pray in the Name of Jesus.

In 2013, believers will feed their spirit with a healthy, balanced diet from God's Word and God's Spirit. Many ministries will rise up with sound, balanced, Word-based teaching. At the same time, many will lose their fear of the Holy Spirit and open up also for Him and for His manifestations. As a result of this, believers will grow fat in the spirit, not proud with knowledge that puffs up, but with revelation that edifies (1.Cor.8:1). Believers and ministers alike will be satisfied with good Word and powerful Anointing. "I will satiate the soul of the priests with abundance, and My people shall be satisfied with My goodness, says the LORD" (Jer.31:14).

In 2013, God will pour out many new revelations, and many books will be written across the world. The speed of revelation of Bible truths will increase greatly in this year.

In 2013, the barrier between Christian and secular books will be broken. Christian books will be read also by unbelievers and bring in a great harvest of souls. Various Christian books will become best-sellers even in the secular world.

In 2013, the joy of the Lord will be a main compelling force for Christians. Like strong, stall-fed calves jump for joy about their new-found liberty when they are released from the stall, believers will become strong and experience great joy in their new revelations of old Bible truths. They shall know the Truth, and the Truth shall set them free and make them jump and dance for joy (Jn.8:32).

In 2013, true believers shall trample evil under their feet. This happens automatically and is a byproduct of their rejoicing in God, His Word and His Spirit, and of their obedience in going out and carrying His healing to the nations. Those who take His Word and run with it will see court cases that were against them suddenly being cancelled; debts suddenly and surprisingly being cancelled; unrighteousness being exposed and destroyed; evil intentions and planned attacks being averted, and their own righteousness brought to light like the noonday.

In 2013, many believers will take a daring stand against unrighteousness and wickedness. They will receive the revelation of God's righteousness inside of them and become bold like lions (2.Cor.5:21; Pr.28:1). They will understand that the totally righteous God lives inside of them and that they no longer need to bow to fear, fear of men, pleasing people, lies and lying or any other kind of unrighteousness.

In 2013, many of God's people will truly begin to shine like heavenly lights in a sin-darkened, confused world (Phil.2:14-16).

GOOD NEWS - FOR TELEGU SPEAKING PEOPLE

Now
"How to break
cruel curses"
in Telegu

My friend was suffering from stomach pain during her monthly periods. I explained to her about specific curses on women from the book of Rev. Benita Francis "How to break cruel curses" and I prayed and broke the curse for my friend over the phone. At the same moment the pain left her and she received her healing. Praise God for this revelation of curse breaking and for this book. I am very happy that this book is translated into my mother tongue telegu. It is really a good news for Andra Pradesh.

Worshippers in the Holy Bible

PROPHETIC WORSHIP

Bro. Manuel Jeyaraj

Let's continue to learn some more truths about prophetic worship from the life of David. In the November issue, I ended the article saying that David used the name of God to overcome Goliath. He said, "but I come to you in the name of the Lord of hosts, the God of the armies of Israel, whom you have taunted" (I Sam.17:45). Remember, David had the revelation that God is a God who exists among His armies (praising people). He rises up, works and accomplishes as hosts of the armies.

David also said that He is the Lord of hosts, the God of the armies of Israel. He saw God's armies in the army of Israel. Actually, King Saul had only one army but David said, "the God of the armies of Israel" Beloved **this is the prophetic picture you need to have when you do prophetic praise and worship.** David identified God's army among Saul's army. Do you think David fought alone? Definitely not! The Holy Ghost gave the lead before David could run to Goliath. When David said the name 'the Lord of hosts', that's it, the Holy Ghost couldn't wait even for a second. The Holy Spirit was so active that He ran and stood behind Goliath to bang him down. Wow!

Not only that, David spoke positive words which he saw prophetically before things happened. He hadn't started fighting but he declared, "This day the Lord will deliver you up into my hands, and I will strike you down and remove your head from you". When your inner man is active you will start saying such words because that's how the Holy Ghost works. But before that, understand that your inner man is a prophetic man. So start doing prophetic worship like David who in his prophetic praise and worship Psalms 18 sees God and sings about Him very differently. It's totally terrific. Also in Psalms 2 you have another prophetic praise and worship song about our Father God and our victorious Christ. And don't forget the powerful prophetic picture in Heb.1:8,9,13.

These are the most powerful truths which take us from glory to glory in prophetic worship. Speak the prophetic picture that you get in your spirit and sing it out as a prophetic praise and worship song. That's why David was successful in all his battles.

Prophetic praise and worship is done to establish and prove the presence of God to nations. David said, "so that all the earth may know... and the whole assembly may know ..there is a God in Israel..." Prophetic worship is done to make all the earth see that Jesus is 'the Christ'. Prophetic worship must result in great deliverance and salvation.

Know your weapons. It's not the spear or sword but prophetic word and praise in your mouth that becomes the most powerful weapon to deliver you from your enemies. Convert the prophetic word into a song. Only prophetic praise and worship songs bring great deliverance and salvation. Our God delivers us not by sword or spear for the battle is the Lord's. Yes, His strategy for our battles is different. David's very proclamation brought great salvation to Israel. The Lord of Hosts won Goliath. David was able to accomplish this victory only by the revelation that the battle is the Lord's. Don't ever think that we can do something without the presence of the Holy Ghost. We might get deceived. The Holy Spirit is the one who takes a lead in our situations. He is the one who brings us into the reality of the victories of Christ on the cross. The Bible portrays it this way, "the Spirit which mightily works in us".

We need to understand that our victories have already been acquired very easily through the death and resurrection of Jesus Christ. When we received the promise of the Father (The Holy Spirit), all these victories have become real for us. Satan might put a confused and negative picture in your mind so that you would lose the interest and revelation for worship. He can go to the extent of saying, "Hey, this is not going to work for you. It works only for people like Bro. D.G.S.

Dhinakaran, Bro. Ezekiah Francis and to some other great men of God”. This is one of the greatest schemes that he implements as his strategy into the minds of the believers. But God has already opened the eyes of your inner man and no darkness can swallow it. Your spirit man is a victorious spirit exactly identical to Jesus Christ. There is no possibility for defeat. He has already taken the victory over all our battles. There is no battle left for us. So start worshiping Christ who is over all your situations. He has won everything on our behalf. There is nothing left out for us to battle.

In I Sam.17:48, we read that David ran quickly toward the battle line to meet the Philistine. Once when I read this verse, the Holy Spirit asked me to read another verse from Eph.6:13 “Therefore, take up the full armor of God, so that you will be able to resist in the evil day, and **having done everything**, to stand firm”. This opened my eyes. We are just to stand in our battle line. We need not even fight. We need to stand because already One has stood and accomplished for you. What we need to do is to run and stand on the victories of Christ on the cross. Shout and sing the victories of Christ on the cross. Our spirit man has the victories of Christ Jesus on the cross. Be a little firm in praise and worship. Because he has done everything and has brought everything that He accomplished on the cross into our spirit. You are full of His accomplished victories and great works.

This is where we understand New Testament praise and worship. New Testament worship starts from celebrating the realities of the New Testament. We are called to worship in the New Testament to celebrate the victories and great works (Realities) of Christ on the cross. We are called to worship in the New Testament not to receive something that was not given but to give something for what Christ has already given. New Testament worship starts with thanksgiving. And that’s why St. Paul emphasizes in many of his letters about giving thanks for all things. We need to worship God not to receive but to give. We need to worship Him for who He is in our lives and for what He has done in our lives. I believe that a believer has to praise and worship God a lot more than to pray. All our prayer points of yesterday, today and tomorrow have already been answered and granted to us in Christ Jesus. What we have to develop is a heart filled with gratitude, a life style of thanksgiving

(Col. 2:6,7). Always give thanks for all things. Do not grieve the Holy Ghost by asking for something from the Lord when He has already given it. God wants you to stay in the prophetic realm by giving thanks for everything and all things.

When David swung the sling with the stone, the stone hit Goliath and he fell on his face to the ground. Actually, this is what I imagined when I read this scene from the Bible. Before David met Goliath at the battle line, the Holy Ghost went and stood behind Goliath to hit him down to earth. When the stone burst into Goliath’s forehead, he couldn’t stand because the Holy Ghost hit him at the back and he fell prostrate before David. Dear worshiper, things that are standing against you like a mountain are going to melt like wax and they will have to fall prostrate before you because you did not forget to fall prostrate before your Creator. This is how the Lord exalts His people. Nothing can withstand against the matchless presence of Christ Jesus. So, don't stop worshiping, but persevere in it. You will see your enemies dying before you.

We have been called to stamp and stand on our enemy. The Bible says that everything has been put under His feet. I don’t know whether David knew this or not. But David ran and stood on Goliath to kill him. You’ve been called for a ministry like this - to stamp the enemy under foot and to destroy his works. Yes, prophetic worship is a powerful worship that makes the devil tremble at the presence of Christ Jesus. Not only that, the Philistines fled when they saw their champion dead. Yes, the fear of God grips people when prophetic worship ascends into His throne. Before the second coming, I believe there will be powerful prophetic worship happening here and there to bring the end time judgments of God. This will surely precede His second coming. There will be a heavy release of His presence and anointing before the day appears.

Prophetic worship results in great exploits of goods and money. Believe me, prophetic praise and worship is a mighty strategy of God given to the end time church for plundering the goods and money the devil has kept hidden away from the church for a long long time. There is going to be a heavy release of finance when this type of worship is practiced in churches.

Prophetic worship challenges the principalities

and powers of darkness. These spirits will have to flee from all the high places of India. I assure you in the name of Jesus that every mountain will become God's abode in the years to come. Not only that, the wealth of the gentiles will be ours. Every idol will bow down before the name of Jesus. You will see the temple dharmakarthas coming to Jesus in the days to come.

There is only success and success for people who do prophetic worship. David prospered wherever he went though King Saul was the one who sent him. Yes, God is the one who prospers us. What He expects from us is a thankful heart. New Testament worship is to abide in the presence of God by giving thanks.

David was suddenly made the leader of the men of war. The Holy Ghost is the One Who works behind the scene for this. Remember, worshippers, you are all leaders for men of war. So you have a greater responsibility than anyone else. When God permits such elevations in your life, all will accept you as a leader. That is how a worship leader is anointed and acknowledged. It would be pleasing in the sight of all men and also in the sight of all your enemies or people who didn't accept you earlier. That's how Jesus Himself was anointed in the midst of His brethren.

Worshippers remain in this calling and God will elevate you to different heights. When David and King Saul returned from war, all the women from the cities of Israel came out dancing and singing to meet King Saul. They played their instruments and they praised David, the prophetic worshiper more than King Saul. Do you know why? Because David's exploits were more than King Saul. Yes, a prophetic worshiper's exploits and bounty are more than anyone else. God always gave the best portion for the priests. For the other tribes, He gave the inheritance for which they were worthy. But for the priests (the Levites), the Lord Himself was their portion. What inheritance do you expect from God? Is it only the physical inheritance or the Lord Himself?

Let me remind you all that for any worshiper, the Lord is the best portion. Christ in you, living as the Hope of Glory is the real inheritance that Father God prepared for us even before the creation of this world. Christ is the only true inheritance and so he is the real source of all blessings that we could see and enjoy for eternity and eternity. There is nothing outside Christ. Everything is in

us because He is in us. What else do you need when you have Christ Himself, the author and the finisher of life? Keep worshiping God like you've never done before because the year 2013 will be a glorious year for all worshipers.

This year, God has promised to reveal His glory as He has never done before. Many would see the open manifestation of the presence of Christ Jesus. New worship leaders are going to rise up to fill the earth's atmosphere with God's presence. Many sincere and secret worshipers are going to have open doors to reveal who Christ is. Unbelievable salvation experience is going to take place among different popular people of the world. This will be surprising news and spoken of all over the world. God is going to stretch His arm against the idols of the nations. Many worship ministries are going to bloom this year with God's wonder working might and strength. A lot of gentiles are going to come back to Christ just by music and worship.

Once again God is going to stir up a great revival in the hearts of young people for praise and worship. Many backsliders will renew their first love for Jesus. God will once again strengthen His church with powerful teachings and glorious demonstrations. Outstanding miracles and healings are once again going to be most spoken of this year. The fear of the Lord will grip the hearts of many unbelievers. We are going to witness great judgments happening this New Year both among the believers and the unbelievers. We would witness many of them both in newspapers and television. We will also see many mighty men of God being used by God this year in a powerful way as they were never used before.

From my heart of hearts, I wish to say that I am longing to see the fullest manifestation of the power of the Holy Ghost this year. Because, in the year 2012, I saw the Holy Ghost at least three times seeing many men of God with tears flowing from His eyes. I saw Him gazing at some as though they were a failure and they refused to come into His hands to be molded and shaped again. I don't want you all to be in that list. He is ready to lift you up even if you have hit rock bottom. Just be crazy about His presence. That's it. It is all finished for you. Surprising promotions and gifts are waiting for you all. **Happy Holy Ghost Year and prosperous New Year.**

1. How to find the will of God for marriage?

There are some basics requirements. First see the salvation and baptism of the Holy Ghost. A fifty year old man cannot marry a five year old girl. In the same way you cannot marry a baby Christian. Secondly the spiritual match is important. If you have a calling, see whether the girl or boy accepts that calling upon you. You must have inner peace. Listen to your spirit. Young girls and boys I want to assure you if you walk with God definitely you will not miss God's will in your marriage. Don't be anxious. Anxious people make mistakes. Your mate is not going to be born. She/he is already born and is well and alive on this planet! God's angel will bring your match to you! Don't go fishing for a partner! You cannot seek and find.

Adam didn't ask God for a wife, but God was concerned! He didn't say that he is alone and he needs a partner. God said "Oh my son is alone I am not happy". God could have created Eve when Adam was awake. But God did not do that. He made him sleep. God wants you to sleep about it. Many people make mistakes in marriage. I want to give you a shock. For marriage don't believe any visions. Whoever you imagine in your mind will come in your vision, if anyone comes and says "I saw you in the vision" tell that person "It is not a vision it is your wish".

Don't choose your partner based on prophecies. Check whether you have joy and peace in your heart.

2. How to keep our thoughts pure and fresh in our young age?

All of us have fast thoughts. Thoughts are very powerful. If you know how to bring these thoughts under control you have already won 90 percent of your battle. Don't fight with your thoughts. The more you fight with the thoughts the more it will be activated. Fearful thoughts, doubt, worry, filthy, negative, bad about someone thoughts are surely not from God. God's thoughts are pure and positive. Don't surrender to your thoughts. Don't make a big fuss about that thought. When you think too much about a thought, you give power to it! Then it controls you.

Another thing is thoughts are not within you. That is not your thought. Bible says we have the mind of Christ. Who is inside? Jesus' thoughts are your thoughts. Other thoughts come from outside when your mind is empty. So write "houseful". What will happen then? Nothing will go inside. Fill your mind with positive thoughts. Don't fight with negative thoughts instead fill your mind with positive God's thought. Read the Bible more and listen to faith building CDs. The last thought you think when you go to bed and the first thought you think when you wake up are both important. These two thoughts control your life so much. When you go to sleep think something positive then you will wake up in the morning with God thoughts. This will not happen within ten days. Till you die thoughts will flit across your mind. Don't worry about it. When God's word is in your mind that word will keep you pure. Have good friends who always talks good godly things. Negative people corrupt you.
