FROM THE DEPTH OF MY HEART.....

Dearly precious beloved in Christ,

Greetings in the wonderful name of our Lord and Savior Jesus Christ!

We are witnessing the fulfillment of this year's prophecy. As I foretold on December 31st of 2012, we have seen many natural disasters, cruel murders and countless cases of heartless abuse of children and women. Now is the time for us to stand in the gap and intercede for the nations. Stop lamenting that you have not done anything for God. Right now go to the throne of grace and start interceding for the nations. By doing so you fulfill your primary calling which is to be a priest who stands between God and the people. The Holy Spirit will help you in your infirmities and pray through you for His will to be done on earth.

Jesus taught, "The Kingdom of Heaven is like a certain king who arranged a marriage for his son, and sent out his servants to call those who were invited to the wedding; and they were not willing to come. Again, he sent out other servants, saying, 'Tell those who are invited, "See, I have prepared my dinner; my oxen and fatted cattle are killed, and all things are ready. Come to the wedding"' (Mt. 22:2-4).

The Kingdom of Heaven is like a marriage. You are living in a Kingdom which has joy, fullness, honor and celebration. God has already prepared a banquet for you. Everything has been prepared. He has finished everything on Calvary. He has called you to enjoy what He has prepared for you. You don't need to lament and cry for your needs to be met. Just come to the banquet. Our beloved Holy Spirit is living in you to reveal what God has already prepared for you. His heart is longing to see His children enjoying the blessings He so lovingly arranged for them. If you don't know what you have already received you cannot enjoy it. The Word of God reveals God's heart and His blessings to you. Spend your life and your time in meditating upon His Word which is Spirit and life. May the Holy Spirit open your eyes to see the blessings of the Kingdom of God so you can fully enjoy it!

We had very fruitful ministry in Andhra Pradesh and Madhya Pradesh. The Spirit of the Lord moved very powerfully. We had three days of meetings in Hyderabad last month. On 12th of October we had a fasting prayer in Hyderabad for Andhra Pradesh. More than 2500 people gathered for this prayer. God took us to Hyderabad during this very dark period in Andhra Pradesh to shine forth His light. He gave us a prophetic message that kindled the Church of God to fulfill His call. People were filled with extraordinary courage to face the situation in their state. Our Berachah leaders had organized all the meetings in great unity of spirit and mind. It clearly revealed to everybody that the strength of unity will break all the devil's plans in that beautiful state. Remember, it is your duty to pray for Andhra Pradesh every day.

God also did a mighty work in Jabalpur, Madhya Pradesh. Nearly thousand people attended the conference. We could once again see the great need for anointed Kingdom workers in North India. The Church of Jesus must rise up with the power of the Holy Spirit to manifest God's glory and His Kingdom. Pray for the work God has started to continue all through the states of India. Pray also specially for the servants of God in North India.

When this magazine reaches you, our students from our three months' School of the Holy Spirit will have finished their course and gone to the field. God did a great work in each and every one of them. He really transformed them into different persons. Pray for them to shine as mighty miracle workers. Continue to pray for the School of the Holy Spirit for Ladies which is going on right now.

We have organized our yearly prayer seminar in our Poondi campsite from December 2nd to 6th, 2013. You will enjoy heaven on earth as you join into what Jesus is doing right now in heaven. Our prayer incense is going to fill the heavenly golden censer. We have seen tremendous changes in our nation as a result of our previous prayer seminars.

Our nation is going to face a historic election in the coming year. As a Church we must pray for this election and also cast our votes for Jesus-fearing rulers. So, plan to participate, pray and change nations.

Keep visiting our website www.ezekiahfrancis.org and our Facebook page www.facebook.com/Dr.EzekiahFrancis for updates, and follow us on Twitter @EzekiahBPM.

Continue to pray for our European TV programs in German language and also for the new launch of programs in national and international channels. Pray for our literature and media ministries. Pray also for my dear wife, our aged parents, counselors, key leaders, coordinators, staff and partners. God will bless you and your generations as you stand with this God-raised ministry!

With love and heartfelt prayers,

Abel Sibi Francis

CONTROLLING TONGUES

Dr. Ezekiah Francis

We have seen tongues as the special blessing of this New Covenant period. We made clear that this ability to speak in tongues opens innumerable channels of other blessings as well. We can even call it the key that unlocks the treasure house of this new era. Now let me ask you: Why should these tongues be manifest especially in this dispensation? What makes this gift more special than the others?

Why did all the disciples in the upper room speak in tongues soon after they were filled with the Holy Spirit? Whenever the Holy Spirit came upon the Old Testament saints, He did so many great wonders but why here just the tongues?

The Spirit of God came upon Samson. With his bare hands, he could tear apart the lion like a lamb (Jdg.14:6). Again He came, and the ropes on his arms became like flax burned with fire (Jdg.15:14). He came on Gideon and made him blow the trumpet and brought great victory (Jdg.6:33).

The Spirit came upon David, and he played his harp with his hands and healed Saul (1.Sa.16:23). The Spirit came upon Jephtah and Othniel, and their hands overpowered their enemies.

But why did the Holy Spirit control the tongues of the early apostles the moment He filled them on the day of Pentecost (Ac.2:4)? Why did He make them to speak in different kinds of tongues? Why did all the household of Cornelius burst out in tongues as soon as the Holy Spirit fell upon them (Ac.10:44-46)?

Why did the 12 disciples of Ephesus speak in

tongues immediately after the Holy Spirit came upon them (Ac.19:6)? Why do Spirit-baptized people even today speak in tongues right after they are filled?

Why should the Holy Spirit bring your tongue under His control before He brings all other parts of your body under His control? Here lies a vital truth.

The power of your tongue

Your tongue decides everything about your life. Every time I read about tongues in the Bible, I am wonderstruck. Your tongue controls your life more than you could ever imagine. Your tongue decides your victory or defeat. Your tongue makes you or breaks you. Your tongue strengthens you or weakens you. Your tongue frees you or fetters you. Your tongue builds you up or pulls you down. Your tongue opens you up for prosperity or for poverty. Oh, the power of your tongue! The great wise man Solomon reminds us of this truth repeatedly. If you underline all his words on the tongue and meditate upon them, you will know the magic power of your tongue.

What you sow with your tongue, you reap. You are already reaping the results of the words you spoke. You live by your tongue; you die by your tongue. How true is Solomon's statement: ***"Death and life are in the power of the tongue, and those who love it will eat its fruit"*** (Pr.18:21). ***"Whoever guards his tongue keeps his soul from trouble"*** (Pr.21:23). ***"The tongue of the righteous is choice silver"*** (Pr.10:20). His lips feed many (Pr.10:21). A wholesome tongue is a tree of life (Pr.15:4). The mouth of the righteous is a well of life (Pr.10:11). The only way to guard your emotions,

feelings, mind and will-power is to keep your tongue under control. It's your tongue that releases the rivers of life from your innermost being. That's why soon after the Holy Spirit comes upon us, He brings our tongue under His control and makes it His own. As initial evidence, He fills our tongue with His language.

The more you speak in tongues, the more your tongue comes under the rulership of the Holy Spirit. As a result, the fountains of life are fully released through your tongue and become the fruit of life to the dead world. Your tongue feeds the people who are crying out for the bread of life.

What a privilege to yield your tongue to the Holy Spirit! How fortunate you are to speak forth His language!

Your Lord, who is greater than Solomon, has spoken much about your tongue. He said that out of the abundance of your heart, the mouth speaks (Mt. 12:34). That's the secret of the different kinds of languages the disciples spoke on the day of Pentecost. No wonder their tongue exploded with the praises of God as they were so filled of God the Holy Spirit. Your Savior pronounced the final verdict that the words of your mouth justify or condemn you. The Holy Spirit helps you through your own tongue to rescue you from condemnation and make you His righteous, holy one.

Anyone who yields his tongue to the Holy Spirit can easily and gradually excel in controlling his tongue. Is that the reason the Holy Spirit demands control over your tongue?

Bridle

James, the brother of Jesus, who grew up with Him, expounded more vital truths on the constructive or destructive power of your tongue. He portrays your tongue as a bridle that controls your entire personality. As a rider turns the whole body of the horse through one small bridle, your Rider, the Holy Spirit, uses your tongue as a bridle to bring all your flesh under His control. Thereby the Holy Spirit and your spirit together bring all your feelings and bodily desires under His authority.

Rudder

The pilot turns his large ship by a very small rudder wherever he desires and safeguards it from the fierce winds. In the same way, the Holy Spirit protects

the ship of your life from being driven away by the onslaughts of the enemy or the adversities of life. He leads it as He desires through your tongue, His rudder. When He overrules your tongue, your tongue becomes His own, and your language becomes His own.

Fire

James sees the tongue as a small fire that can set a large forest on fire. He asserts it can corrupt the whole body and set the whole course of your life on hell fire. Alas, how many have shipwrecked their lives because they lack control over their tongue! How many have fallen into adultery because of their lustful tongues! How many struggle with their flesh and perish! How many have destroyed the peace of their family because of the words of their tongue! How many have broken relationships because of their tongue! How many have damaged their healthy bodies because of their negative words! Oh God, forgive us!

We would need to write a separate book on our tongue, but now we want to find out the connection between the Divine tongues and our tongue control. The Bible makes very clear that no one can tame his tongue, no matter how much he determines and struggles to change. Yet there is good news: With men it is impossible, but not with God (Mk. 10:27).

We can never repeat enough that the main purpose of the Holy Spirit in your life is to rule your life and the nations by subduing your tongue. It's your tongue that preaches the Gospel to every creature. It's your tongue that commands sickness to leave. It's your tongue that casts out demons. It's your tongue that speaks forth words of grace. It's your tongue that prophesies and reveals mysteries. It's your tongue that heals broken hearts.

I'm sure by now you know why the Holy Spirit first brings your tongue under His control. In my meetings I often say, Jesus demands your heart and the Holy Spirit demands your tongue. Now you know why the Holy Spirit came upon the Early Church and brought their tongues under His control and magnified God through other tongues.

Even today in my personal life I find that whenever I speak in tongues, full of the Holy Spirit, my mind comes under my control. Generally it doesn't happen immediately. Sometimes my mind wavers with

different kinds of worries and anxieties. Sometimes I find it difficult to focus on one thing. Even to pray meaningfully and to meditate the Word of God becomes difficult at times.

That's when I go into tongues either walking or sitting or in any other comfortable position. My mind struggles sometimes even to concentrate on speaking in tongues. But when I press on, the disturbed feelings calm down and my mind comes to a neutral position. Bible meditation and prayer become easier then. This is the art that brings your mind, which runs like a wild horse, under control. We are yet to fathom the depth of these mysterious tongues.

Everything that comes from above, however small it may seem, is precious. No man can perfectly understand its significance. The art I have learnt from my childhood, I share with you. In the multitude of our words sin is birthed, but in the multitude of His words through our own lips His life is birthed.

Do you long to speak more to God and less to men? Do you struggle to bring your soul under your control? Are you struggling in your prayer life? Pray right now:

“Dear blessed Holy Spirit, my own words would only add to my sins. Let Your precious words flow from my tongue. Bring my entire life under Your sovereign dominion through my tongue. I'm convinced speaking in tongues greatly helps me to please You with the words of my mouth and the meditation of my heart. I have no words to thank You for teaching me this precious truth. From today onward, let my tongue constantly speak different kinds of tongues as I have yielded my tongue to You.”

Caution

At this juncture I want to caution you. Satan knows the power of your tongues, just as the Holy Spirit does. Satan strives hard to put his words into your mind and wants you to speak them out, just as the Holy Spirit puts His words into your inner man. Both of them are striving hard to bring your tongue under their control.

Yet we must be aware of the vast difference between these two. The Holy Spirit lives in your spirit. From there, He sends forth His words to your tongue. Such words bring life and blessing to humanity. Satan,

however, has no access to your spirit, so he puts his words into your mind. When you accept his words and speak them, it brings a smell of death and destroys humanity.

Alas, many of God's children cause great damage by yielding their tongue to satan and thus unconsciously serving him. This is a heartbreaking truth. Let me give you some examples to discern the words of satan.

Unclean words

Satan sends his unclean spirits to tempt you to speak filthy, lustful words. Any word that defiles your holiness comes directly from these unclean spirits. Lips that speak enticing and seductive words become the mouthpiece of demons. Such words sound as sweet as honey but defile the saints of God and cause them to fall into the pit of adultery. These are drops of poison straight from the spirit of fornication.

The Holy Spirit, however, is striving hard to fill you with His pure words and to make our tongue His weapon to deliver people from the power of sin.

Friends, who reigns over your tongue? Do your words stimulate lust, or do you speak the words of the Holy Spirit to deliver the captives of lust? Make your choice today.

Accusing words

Similarly, any word that accuses others is spewed out from the mouth of the old serpent. He is the accuser of the brethren day and night (Rev.12:10). These spirits fill your mind with accusing words even without your knowledge. You begin to accuse people without realizing the danger behind it. Remember, any word you speak against men of God, your co-workers and their families, behind their back, comes directly from the devil.

How sad to see many of God's saints become victims of this accusing spirit and accuse others. Surrender the bridle of your life into the hands of the Holy Spirit today.

Practice to speak whatever things are true, noble, pure, lovely, of good report, praiseworthy, and become the weapon of the Holy Spirit (Phil.4:8). Don't waste your time. Satan is the murderer who steals, kills and destroys the peace of the people. His poisonous words are like piercing swords that cut and wound

people. Once your tongue falls prey to his words, you easily and unconsciously hurt people. Search your heart and know how many were wounded by your words. Satan rejoices even when a child is wounded by your harsh words.

The words of correction you speak under the power of the Holy Spirit with the sole intention of seeking the person's best would never condemn, but rather convict them. No matter how many excuses you give for wounding others by your harsh words, surely you have become the slave of the enemy. The Holy Spirit is standing by your side to set you free right now.

The sweet words of the Holy Spirit always heal the broken hearted. For a Spirit-filled tongue-talker it's easy to speak such kind, healing words. The only thing you need to do is to yield your tongue to the Holy Spirit and pray in tongues as much as possible. Then the Spirit of grace and love will rise up in you and speak forth gracious, loving words through you. He longs to encourage and lift up many others through your words. Surrender to Him now.

Negative words

The spirit of fear has paralyzed many of God's champions today. These spirits sow thoughts of fear into you. They put terrifying images into your mind as if something dangerous would happen any moment. Yet instead of resisting that as satanic, you receive it without even discerning it. Thus your tongue is yielded to these spirits. The result is words of fear, words that magnify diseases, words that root out your faith, and all kinds of negative words. Such words affect and begin to rule your entire system. You become what you speak. Diseases, sickness, sorrows and sudden shock destroy you. The Holy Spirit is the Spirit of faith. He always sows words of faith into our minds and fills you with His encouraging words. When you yield your tongue to His words and speak them out, it creates a faith atmosphere and fills you and your loved ones. Then the spirits of fear and unbelief flee from those around you. Such words of faith can remove any barrier and even throw your mountainous problems into the sea.

Friend, will you start speaking the words of the Holy Spirit and release the power of God through your words? God wants to make you His mouthpiece. ***"If you take out the precious from the vile, you shall be as My mouth," says God (Jer. 15:19).***

Speaking in tongues is the great antidote for negative words. I have repeatedly said that there is a connection between our tongue control and the Divine language, but here I need to caution the tongue-talkers, too. Speaking the precious language of the great Holy Spirit is not only a rare privilege, but also a great responsibility. You need to be very, very careful to avoid the words of satan and your flesh.

Speaking in tongues for an hour in your prayer closet and speaking the words of demons all day long will certainly lead you to danger. You would again break the inner man you just built up by speaking in tongues.

There is a remedy for it. ***Practice to speak in tongues every day at specific times and develop the habit of speaking in tongues throughout the day.*** Then your spirit man will nudge you whenever you speak the words of demons. Change your conversation immediately with the strength of the Holy Spirit! When you make it a practice, you will see your anointing increase daily, and you will carry His mighty Presence.

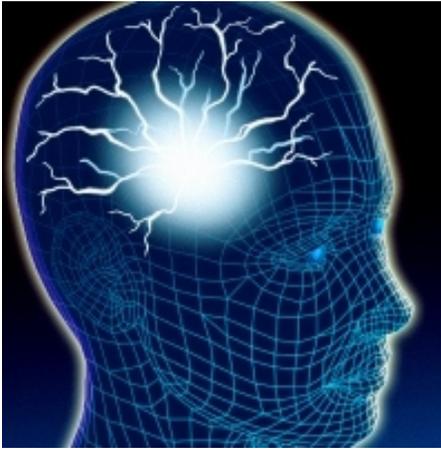

Our life is too short, and millions are waiting for us. Live every day in the Spirit and let His tongues of fire consume your sinful tongue.

May multitudes turn from death to life through your tongue. May hearts be comforted. May the fearful become courageous. Still there is time. Today's decision will make a glorious tomorrow. May the Holy Spirit make your tongue His own. Let Him fill you with His gracious, pure words. Let the Holy Spirit cause you to speak His languages more than your own language. Let your tongue create a new world.

CONTROL YOUR BRAIN

Rev. Benita Francis

Dear family of God, are you happy? Are you healthy? Are you purifying your mind? Just last week, I heard a testimony from a precious pastor's wife. When I met her the first time, there were some fears and much gloominess in her life. I counseled her to take time with the Holy Spirit to remember and actively forgive all the situations that had quenched her spiritual fire and stopped her wells of living water from flowing within her. She told me that she had taken my word very serious. It had taken her about three months to pray through and forgive all the big and small hurts and offenses as the Holy Spirit brought them to her remembrance, but the result was very much worth the time spent! This time, she was just shining, full of health, energy and enthusiasm, and very young and beautiful.

You too can detoxify your mind! You can overcome deadly stress and bring health to your entire system! You can unlock your full intellectual potential! Even in your old age, you can keep increasing your intelligence without any limits! The only requirement is that the input you provide for your brain must be positive and healthy! You can actually continue to grow your brain lifelong. You can grow positive memories and healthy connections every day of your life. You can even challenge and strengthen your brain by brain exercise which we will study in another chapter.

Let us now look at how you can detoxify your brain. There are many strategies you can use. The greatest benefit will be reached if you combine all of them together. Let us start with the most vital ones.

You govern your brain

As we have seen, you are not a victim of what-

ever happens in your brain. YOU are in control! YOU can bring EVERY thought into captivity to the obedience of Christ by the power of the Holy Spirit (2.Co.10:4-6). YOU can decide what you will think and what you won't think. YOU can decide to make your brain grow healthier and more intelligent all the time, or you can allow your mind to become darkened!

Never allow yourself thoughts like "I should have", "I could have", "Why didn't I", and similar thoughts. These guilt thoughts are extremely toxic and put your entire body and mind into a stress reaction (Ro.8:1-2)!

Never allow yourself to think again and again about a painful situation. Remembering it strengthens the memory and releases harmful chemicals into your body each and every time you remember it (Isa.43:18).

Never allow yourself to think fearful thoughts about the future. Consciously commit your future to Jesus and decide to trust that He is well able to take care of you (1.Pe.5:7)!

Never ever allow yourself to think and speak negatively about yourself. If you do, you insult your Creator and put curses on your own life! Death and life are in the power of your tongue (Pr.18:21)!

Never allow unrealistic expectations in your life. Don't put yourself or others under a demand that cannot be accomplished, like endless to-do-lists etc.! Perfectionists tend to make themselves sick by their constant displeasure and discontentment with themselves. Many auto-immune diseases stem from this constant "self-attack" in people's thought life! If you think negative thoughts about yourself or if you are angry at yourself, your thoughts will make your brain produce

chemicals that tell your immune system to attack your own body! Multiple sclerosis, lupus and many other diseases attack mostly such “self-condemners” (Ps.109:18-19; Pr.17:22)!

Never try to lie to yourself, thinking one thing and saying another. Your brain cannot be cheated. Such incongruence is very toxic and will throw your mind and body immediately into a stress reaction! That is the reason why “faith confessions” will not work unless you make the effort of getting the Word as a revelation into your spirit (Ro.10:9-10)!

Never allow yourself to make a problem your own. Never say things like, “**my** heart problem”, “**my** diabetes”, “**my** skin allergy”, etc. If you do, your brain sends out chemicals that tell your entire body to produce or keep producing the symptoms of “**your**” disease (Job 3:25; Pr.23:7)!

Never allow yourself a suspicious attitude like, “people are talking against me”, “somebody is betraying me”, “everybody is against me”, etc. The Bible says, “To the pure all things are pure, but to those who are defiled and unbelieving nothing is pure; but even their **mind** and conscience are **defiled**” (Tit.1:15).

If you live in suspicion, you need purification of your mind! You need detoxification from wrong thoughts! Locate the mental stronghold, forgive all persons that were involved, and actively build a positive memory over the toxic one, as we have learned in former chapters.

Never allow negative people to put negative seeds into your ears and mind. Check the spiritual life of that person before you believe his reports. Jesus said very rightly, “Take heed what you hear” (Mk.4:24). Just like you don’t eat everything that comes before your eyes, you don’t need to listen to everything that tries to come into your ears!

Your brain governs your body

The only thing you need to do is to keep your mind active. If you just allow any thought to wander through your brain unchecked, your life will follow. The Bible says, “As he thinks in his heart, so is he” (Pr.23:7).

Remember: Your brain governs your body just like God governs the universe!

Your thoughts are powerful enough to make

you sick - they are also powerful enough to make you healthy!

In very severe cases of mental disorders, depression, suicidal tendencies etc., taking some medication for a time might be appropriate; but never forget: All medicines have their side effects! Every treatment should include cognitive behavior therapy: You should discover with the help of a trained person the origin of your problems in your very own thought life!

Remember, 87% of all sicknesses and diseases stem from wrong thinking! Toxic thoughts weaken your immune system and leave you susceptible to any germ or virus that comes your way! Toxic thoughts actively attack your body functions by creating life-threatening stress to your entire system.

You need to learn to obey your Creator’s command and rejoice in everything, be anxious for nothing, trust in prayer and control your thoughts. This will bring your life into the peace of God - the peace that passes all understanding, the peace that only He can give (Phil.4:4-8; Jn.14:27).

Nowadays, modern science is talking a lot about brain chemistry imbalances. The wonderful news is that YOU can ACTIVELY control which kind of chemicals are produced in your brain and sent into your body! The only thing you need to do is keep a close look at every thought that crosses your mind. Actively decide whether or not you want to allow that thought to become a life-long memory. Reject thoughts that are not healthy for you. You can find wonderful checklists for thoughts and attitudes for example in Philippians 4:8 and 1st Corinthians 13!

Finally, brethren, whatever things are **true**, whatever things are **noble**, whatever things are **just**, whatever things are **pure**, whatever things are **lovely**, whatever things are of **good report**, if there is **any virtue** and if there is anything **praiseworthy - meditate** on these things (Phil.4:8).

A powerful vision

Some years ago, the Lord gave me a powerful revelation. I was preaching in a seminar, and all of a sudden, the Holy Spirit spoke in my heart: “Look towards your left and prophesy over that sister.” I had not paid any attention to who was sitting there, but I just obeyed the Holy Spirit. I pointed my finger, opened my mouth,

and the revelation started flowing: “Doctors have told you that you have depression. That is a lie of the devil. Your only problem is that you have allowed the thoughts and whisperings of the devil to form a stronghold in your mind. The devil knows very well that he only needs to send one little demon to whisper into your ear, and he has you totally paralyzed. You need to close that inroad with the “stop signs” of the Word of God, and you will be totally healed.”

Wow! I was amazed! I could see in that vision the demons whispering, and their thoughts were willingly received into that sister’s brain. They were rushing in like on a highway and all landed on the same spot. There they had built a mental stronghold that made that sister to automatically do what the enemy of her soul wanted her to do. Tremendous!

Then I could see little stop signs like a police officer would hold up. They were placed in front of her ears, and the entire drama was over! No more bad thoughts rushing in! No more highways! No more depression!

After giving this revelation, I asked the sister about her testimony. She had been on a vacation with her husband, and suddenly she had the thought, “What if I throw him down from the balcony?” She was shocked that such a thought could even appear to her. She started wondering what a bad person she must be to have such thoughts.

She did not have any children, and very soon, she was convinced that God could not give her children because she would kill them any time. She was

afraid that she might kill her two pet cats, herself or anybody in her surroundings. Her condition had become so bad that she was scheduled to be submitted in a mental institution right after my seminar!

Exactly as the Holy Spirit had shown me, her only problem was that she had accepted that one initial thought the enemy had injected into her mind. She had failed to resist the reinforcing thoughts he kept shooting at her. She had failed to take the shield of faith that can quench EVERY fiery dart of the enemy (Eph.6:16). She had failed to take the Word of God as a sword of the Spirit to defend her ears and mind from the enemy’s onslaught (Eph.6:17). She had not put God’s Word as stop signs before her ears, and she had given enough time for the devil to build life-threatening strongholds in her mind!

You don’t need to go into depression or just live your life like a drudgery, without any hope and expectation. Jesus has come to give you life more abundantly (Jn.10:10). Every day should be an excitement to you as you live it with your Creator who has good plans for you from before the creation of this world (Jer.29:11; Eph.2:10)!

Never settle for anything less than this abundant life! Rebel against anything that steals your joy and peace of mind! Decide to detoxify your thoughts and make your world a place worth living!

Jose Fernandes, Kollam Kerela

Before coming to Scool of the Holy Spirit my tongue talking was very boring but now it is very much interesting and I am speaking new new tongues.

I was a very shy person but now School of the Holy Spirit has given me the platform to stand in front of many people and worship.

I have started prophesying; I read the word and can also understand it clearly.

Shine Kumar, kerala

Quite time helped me a lot to spend time with God alone. I can hear God's voice and my intimacy and fellowship with God as my friend has increased and I am closer to Him now.

Reposing during quite time has brought a lot of changes in me. Before I knew In Christ truth only in my mind but now the truth has been put in my heart by Ezekiah Annan and other Men of God.

Elisha, AP

Answer of the Last Month...

I once made a **remark** about the hidden books of the Bible. It was a **lulu**, **kept** people **looking** so hard for **facts** and for others it was a **revelation**. Some were in **jam**, **especially** since the names of the books were not capitalized, but the **truth** finally struck home to **numbers** of readers. To others, it was a real **job**. We want it to be **a most** fascinating few moments for you. **YES, THERE WILL BE SOME REALLY EASY ONES TO SPOT**. Others may require **judges** to help them. I will quickly admit **it usually** takes a minister to find one of them, and there will be loud **lamentations** when it is found. One little lady says **she brews** a cup of tea, so she can concentrate better. See how well you can **compete**. **Relax** now for there are really sixteen names of books of the Bible in this story.

Correction:

The answer for the month of September is 'Allure'
not as mentioned 'Alluring' in the last month issue.
