From My Heart

Dearly Beloved,

Greetings in the name of our resurrected Lord Jesus Christ!

We thank God for His mercy and faithfulness all through this year. We are living in a very crucial time. Be wise like the sons of Issachar who had understanding of the times (1.Chr. 12:32). God has anointed you and placed you in such positions in the spiritual realm and natural realm for such a time as this (Est. 4:14). You cannot be quiet. Rise up to your God given position and take authority in the prayer. You will see revival breaking out in the nations.

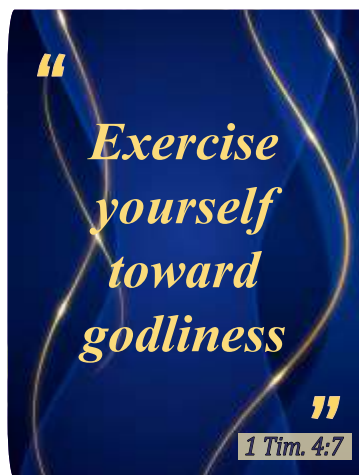

The School of the Holy Spirit for men is going to end in this month. Thank you for all your prayers and we are going to see the fruit of these three months shining and shaking the nations. We give all the glory to God who transformed the lives and changed them tremendously empowering them for the greater work of God.

We are getting ready for the seminar in Myanmar in October. Pray for the mighty move of the Holy Spirit and for the prophetic utterance with signs, wonders and miracles. We want to see a great impact in the spiritual realm of this nation and the Body of Christ must rise up with new vigor and walk in the supernaturals like never before.

Don't forget to pray for our Ladies School of the Holy Spirit from November 1st to December 1st in our Campsite. The wise women will not only build her house but also the Kingdom of God. Be a wise woman and rush for your seats. The nations are waiting for you!

Get ready for the Fasting Prayer for Nations from December 2nd to 4th. When the people of God humbled themselves before God for their nations, we could see a visible change in the Nations. Come and join with us for this wonderful festival of prayer and we will see the tremendous outpouring of the Spirit in a tangible way. We also have a role to play in the revival of Europe. Pray for clear guidance and strategy from God to accomplish it. Pray for God-appointed right people to come and connect with us to carry out the vision God has given us.

Life in Christ is also a God-cared life. Always remember: Life in Christ for you is life in Canaan for the Israelites. Your entire life is always under the direct care

and supervision of God. God's caring eyes and compassionate heart were upon Solomon's temple perpetually (1.Ki. 9:3). You are God's temple in Christ. His eyes and His heart are upon you all the days of your life. Every time you enter into a new year, remember that from the first till the last day of the year, your God is caring for you compassionately. Never be anxious about yourself (Phil. 4:6). Live a carefree life before God, since He is most careful for you (1.Pe. 5:7).

Pray for my wife, for our ageing parents, as well as for our leaders and staff. May the Lord Almighty establish your territory and make you a blessing to the nations. Be the head and never again the tail. Lend to nations and never borrow again. Let the blessings run before you and overtake you, in Jesus Name!

Prophet Ezekiah Francis

The union of God and man is the summit of worship, which is reached when one relaxes in God's love and nestles deep down in the mighty presence of the Almighty God. The sole purpose of worship is to make the mystery of "joining unto the Lord in one spirit", as our experience (1 Cor.6:17). When such a pinnacle is reached it will be like seeing God face to face, like Moses did. At such times, the glory of God will flood through our entire being. The Holy Spirit invites the present day church to climb up to this supernatural realm of worship (Rev.4:11).

Before reaching the peak, we must climb several steps in the ladder of worship. It demands our diligent efforts. This is what Paul exhorts in I Tim. 4:7 "Exercise yourself toward godliness.". Bible saints took persistent efforts to become true worshippers. Abraham had to climb Mount Moriah before reaching the place which God had shown him to sacrifice his son, Isaac (Gen.22:3). Moses too went up the mountain often to meet God and was lost among the clouds (Ex.19:20). The Israelites had to travel up to Shiloh to experience the presence of God (I Sam. 1:3). Bible says this was God's chosen place (Jos 18:8,10; 1 Sam.3:21). As King David diligently waited before the Lord he composed many songs to worship the Lord, who dwelt in Mount Zion. Some of those psalms were meant to be sung while climbing up this mountain. To reach this summit, we need to climb many steps

as the Israelites climbed up the Mount Zion. The wise men travelled all the way from the East to Jerusalem to worship baby Jesus. But today we don't have to travel anywhere to worship God. Jesus said to the Samaritan woman, "*Woman, believe Me, the hour is coming when you will neither on this mountain, nor in Jerusalem, worship the Father.*" He also added "*But the hour is coming, and now is, when the true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him*" (John 4:21,23). We have to learn an important lesson from the saints of the Old Testament. Worship needs our efforts. It is a spiritual exercise. Let our hearts cry for the beloved of our soul. A deep thirst for God and labor of our love, takes us to the heights of worship.

Moses' tabernacle beautifully typifies praise and worship. The Most Holy place signifies worship. God's Shekinah glory, the cherubim dwell only in this Most Holy Place. All our praises should take us into this most holy experience. The high priest could not enter the Most Holy Place without passing through the outer court and the holy place. Likewise we too should pass through several stages before entering into real worship. Now let us see, how to reach the pinnacle of worship.

Developing a praising lifestyle (Outside the Camp)

Let God be the Lord of every minute detail of

your life. If you are entangled in worldly affairs, you cannot reach the peak of worship all of a sudden. We must constantly remind ourselves by confessing **“I am the priest of the Almighty God. I do not belong to this world. None can claim my life. I refuse to be entangled with anything that would not draw me nearer to the Lord (1 Tim. 2:4). I am for His glory. Whether I eat or drink, I do all for the glory of God; I've been bought with the price of His blood; therefore I glorify God with my body, and spirit, which are God's” (1 Cor.6:20).** This firm decision will kindle the fire of worship in you.

We must know that it is not fitting for us to use language which is obscene, profane or vulgar. Rather we should give thanks (Eph.5:4). Always give thanks for everything to God the Father (Eph. 5:19-20). Let His praises be constantly in your lips. Let songs of praise flow through you the whole day. Speak faith building words which will fan the flame of praise. Praise and faith are twins.

Guard your conscience and keep it clean. Even in the midst of your busy schedule, practice the presence of God. Picture yourself as the temple of God as the King who strolls about its courts; and thank Him for making you His temple to dwell in. Rejoice and sing songs which speak of His indwelling presence in you. Sometimes you may feel as if you have drifted away from God. Do not lean on your feelings; but lean entirely on the Word of God which says that God lives in you and He is closer to you than your very breath. This thought should lead you to praise. The moment you decide

to worship Him with all your heart and mind, Satan will be busy to defile your mind and to dim the presence of God. At such times, shout like Paul and say, “Christ in me, the hope of glory” (Col. 1:27). This is one of the most important keys to reach the summit of worship.

Worship is not an event, set for a particular time of the day. Worship is to be done throughout the day. The realization of this truth will soon make you a worshipper. The man whose life is on the altar all through the day, will easily reach the culmination at the time of worship. Whatever you do, do it whole heartedly, as unto the Lord and not unto men (Col.3:24). This is the initial step which leads to worship. Offer the members of your body everyday as a living sacrifice, holy and acceptable to God. Remember that this is your reasonable service (Rom. 12:1). As the Israelites went outside the camp to worship the Lord, you too must separate yourself from the world to meet God (Heb. 13:13-15). Such a life releases the fragrance of worship. The Lord examines the life of a worshipper; not just the words he utters while worshipping. For such a consecrated person, the very Name of Jesus becomes an ointment poured forth (SS. 1:3). If you do not enjoy the time of worship, search your heart to find out the hindrance. The Holy Spirit is ready to show any wicked way in you. Immediately confess it and plead the blood for your cleansing (Ps.139:23,24). Thank God for His cleansing immediately. This brings you nearer to the tabernacle.

Take time to give thanks (Outer Court)

Having come out of the camp, you are nearing the altar now. You are very eager to ascend to the pinnacle of worship. Now is the time to remember His blessings one by one and to thank Him. Thanksgiving is the gateway to the banqueting hall of our King. Apart from this, there is no other way to enter His presence. That is why the Bible exhorts, *“Enter into His gates with thanksgiving, And into His courts with praise. Be thankful to Him, and bless His name”* (Ps. 100:4).

Thanksgiving is different from worshipping. When we worship God we extol His attributes, but when we thank Him we appreciate His gifts and provisions. In the evil days, when people are not thankful, we believers, must be very careful in thanking God for all His benefits (Col.3:15). Human nature tends to forget the good things done to them quickly, while it remembers the bad things. Generally we are quick to judge others for their failures rather than thanking God for the goodness we find in them. If we don't develop the habit of thanking God for everything, we stumble even at the very first step of worship. If your eyes see only the shortcomings in others, your fault finding attitude will be detrimental to your spiritual growth. The only cure for such malady is the practice of thanksgiving. The Bible saints were experts in this art of thanksgiving.

Our Lord Jesus thanked and praised the Father even for trivial things. When the seventy men returned to Him with their success over demons, Jesus burst out into thanksgiving, saying, *“I thank You, Father, Lord of heaven and earth, that You have hidden these things from the wise and prudent and revealed them to babes. Even so, Father, for so*

it seemed good in Your sight. (Luke 10:21). Jesus' heart overflowed with gratitude, when He saw His disciples using His authority, in His name. He longs for His church to overflow with such gratitude today. Thank God for all the ministers used by Him mightily. Thank Him for every new revelation given to you for they are your most precious treasures. When you see other ministers with fresh revelations of the scriptures, thank God whole heartedly.

Christ thanked God for His daily bread, realizing that it was a blessing given by God (Mk.6:41). While taking the bread and fish he was moved with gratitude and offered thanks to the Father. He praised God even for the last supper. Such an attitude stirs up the flame of worship.

Paul is another example for a life of thanksgiving. Paul thanked God for everyone of his churches and co-workers. He thanked God for the faith of the Romans which was known all over the world (Rom. 1:8). Amidst the shortcomings of the Corinthian congregation, he searched for some goodness in them and praised God for them. Paul wrote to the Corinthians, *“I thank my God always concerning you for the grace of God which was given to you by Christ Jesus”* (1 Cor.1:4).

He constantly thanked God for this Church, and not occasionally. God is calling His ministers and His people to turn back to this life of thankfulness.

Paul didn't take anything for granted. He thanked God even for not having baptized many (I Cor. 1:15). He thanked God for speaking in tongues, more than others (I Cor. 14:18). Titus collected money from the Corinthians for the needy and Paul thanked God for putting this concern in his

heart (2 Cor. 8:16). He thanked God with confidence that He who had begun the good work in believers, would carry it on to completion until the day of Jesus Christ (Phil. 1:6). The very thought of the Philippians led him to praise. He thanked God, when he remembered the tears and sincere faith of Timothy (2 Tim. 1:3-4). He also thanked Him for the generosity of the people, having recognized it as a gift from God (2 Cor. 8:1). He thanked God for the bread, in the presence of all sailors without any embarrassment (Acts. 27:35).

Whenever his beloved brethren came to visit him, he thanked God and took courage, forgetting all his sufferings (Acts. 28:15). He thanked God who caused him to triumph in Christ, and manifested the fragrance of His knowledge by him in every place (2 Cor. 2:14). He offered thanks unto the Father for rescuing us from the dominion of darkness and bringing us into the kingdom of the Son He loves (Col. 1:12-13). He thanked God for all the spiritual, physical and material blessings (Eph. 1:3). What a thankful man he was! Such a sense of gratitude paves the way for the summit of worship.

Praising always! Praising for everything! Praising in every remembrance! God delights in such sacrifices of praise. Let your life be soaked in thankfulness for every good gift of the Father God. During the time of worship, select some songs of thanksgiving and sing them with tears of gratitude. Songs like "Count your blessings, name them one by one" kindles the fire of worship. Like David, command your soul to bless Him and not to forget all His benefits (Ps. 103:1-2). Let David's songs of thanksgiving become your own (Ps. 103:1-3).

Use a note-book to jot down all the blessings and answered prayer. Make it a habit to thank Him for everything. Memorise the songs and psalms that

speak about the blessings of God bestowed on you. Sing them repeatedly. This will melt your heart and fill your eyes with tears of gratitude. Many such songs of praise could be seen in David's Psalms. He sang God's miraculous ways of leading the Israelites, His generous provisions for all men and living beings and for the deliverance from his enemies. He shed tears of gratitude for God's great love which forgives all the iniquities of man. Psalms 103, 104, 105, 136 and I Chronicles Chapters 16 and 25 express David's thankfulness. Make use of these scripture portions when you worship.

When you make up your mind to thank God you will be reminded of thousands of benefits you have received from the hands of God. Thank God for your parents who begot you and brought you up to this level; for your teachers who have opened your eyes of knowledge; for the sacrificial men who got freedom for our country; for thousands of soldiers who laid down their precious lives to save your country; for the Bibles and for the men of God who expound its truths. Thank God for all the servants of God, apostles, prophets, evangelists, pastors, teachers, deacons, administrators and donors. God will be delighted with such thanksgiving. A.W. Tozer speaks of such experiences. Come! We will enter His gates with thanksgiving in our hearts.

TESTIMONIES

The transformed lives

- ✳ Praise the Lord! Before coming into Berachah, my heart was weighed down by intense grief, deep wounds, and heavy emotional bondages. But God met me right in my brokenness. During the session on breaking soul ties, the Lord miraculously lifted every burden and healed my aching soul. In His presence, my spiritual walk has been completely transformed, bringing me into a deep, intimate fellowship with Him. He has filled me with His Holy Spirit, granting me the gift to pray powerfully in tongues. Today, I am walking in total freedom, carrying a light, peaceful mind and a heart overflowing with gratitude. Thanking each and every member of the Team Berachah! - R, Kerala
- ✳ All Glory to God! Although I accepted Christ Two and a half decades ago, my spiritual life was marked by deep stagnation and a total lack of joy. All that changed in April 2026 at the STC in Nagpur. Touched by God's overwhelming Presence, I was inspired to travel to Poondi, Tamil Nadu, for this 10-day STC. There, for the first time in over two decades, I experienced bubbling inner joy, discovered my divine calling, and received crystal-clear revelation for my life. God also performed a physical miracle. Since 2016, I suffered from excruciating, chronic lower back pain. During one session, Anni gave a powerful word of prophecy: "Announce your own healing. Your healing is already within you. Lay hands on yourself and declare it." Having always wondered why I couldn't pray for my own healing directly, I took a leap of faith. I laid hands on my back and declared health. Instantly, a decade long agonizing torment vanished! Today, I am completely pain-free, walking in divine strength, and forever changed. May the Lord abundantly bless Prophet Ezekiah Francis and Team with long life, health, and prosperity! - SS, Odisha
- ✳ Before coming to Berachah, our family was crushed by extreme poverty, intense fear, and over one million rupees in debt. I spent endless nights holding my children and crying, completely hopeless about our survival. Everything shifted when my driver husband's life was transformed at Berachah. Inspired by the deep teachings, I began waking up at four o'clock in the early morning, interceding: "Lord, raise my husband as a powerful minister, use our lives, and deliver us!" God heard my midnight cries and early morning prayers. He miraculously raised us into ministry, taking us from a small neighborhood gathering to a thriving church of over 100 active members today! During our time at Berachah, we were instructed to write our debts on paper, place them in an envelope, and submit them for prayer. As the servants of God interceded, and we continue to pray in faith, Heaven moved and more than half of our debt has been completely paid off and cancelled! God's grace did not stop there. Though I am completely uneducated and unable to read or write, the Holy Spirit has uniquely empowered me. Today, I can boldly lead

congregational worship, teach the Scriptures, and guide believers. While we attend this STC, our children are faithfully taking care of our church services back home. We return to our village, overflowing with joy, ready to preach the Gospel with power. Praise God for the total transformation! - L R, UP

- ✱ Praise the Lord! I grow up, watching the prophetic messages of Prophet Ezekiah Francis regularly with my mother, which ignited a deep desire to attend Berachah conferences. Before coming here, I was trapped in severe mobile addiction and held an unhealthy dependency on my friends, believing I couldn't live without them. However, during the soul tie breaking session led by Anni, I surrendered completely in prayer. God broke those emotional chains instantly!! I no longer use my phone excessively and feel total deliverance. Additionally, the agonizing kidney stone pain I had been suffering from for days vanished completely after prayer. Jesus broke my bondages and made me whole! Hallelujah!!! - T A, TN

- ✱ Thank You, Lord, for causing enmity between the seed of satan and the Seed of the woman. You have crushed his head when he bruised Your heel. You put all things under Jesus' feet and gave Jesus to be the Head over all things to the Church which is Your Body. In You dwells all the fullness of the Godhead bodily, and I am complete in You **because I am in Christ.**
- ✱ Thank You, Lord, the One greater than Solomon lives in me as the hope of glory. In Him dwell all the treasures of wisdom and knowledge and all the fullness of the Godhead. I am complete in Him **because I am in Christ.**
- ✱ Thank You, Lord, by You all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through You and for You, You are before all things, and in You all things consist. You are the head of the body, the church. We, the Church, are the fullness of You who fills everything in every way **because I am in Christ.**
- ✱ Thank You, Lord, I am always with You, and all that You have is mine. My sufficiency is from You, and I am filled with all Your fullness. You have become my wisdom, my righteousness, my sanctification and redemption **because I am in Christ.**
- ✱ Thank You, Lord, for enlightening my eyes to know the hope of my calling and the riches of the glory of Your inheritance in me and the exceeding greatness of Your power toward me. I am a member of Your Body, the fullness of You **because I am in Christ.** *Confess and Possess!!*

“AI” OR “I AM”

Benita Francis

Life has changed dramatically since I first wrote this book in 2015. Recently in Germany, a sister told me, “Nowadays, we cannot even imagine a student without a tablet.” Wow! When I was a student, nobody could have even imagined a technical wonder like a smartphone or a tablet! Now please, don’t ask me my age... By God’s Holy Spirit, I am always young enough to understand you!

So, I am sure you have your own personal assistant, your private secretary. You may have some AI friend, some chatbot, or you may have even created your own avatar. Just recently, a Japanese lady officially married an avatar she herself had created, with AI goggles, ring exchange, honeymoon and all! Isn’t that the ultimate expression of worshipping the works of our own hands (Isaiah 2:8)?!

I hope you have not gone to such extremes, and I pray you never will! As I told you already, exactly in Japan, young people are no longer interested in marriage, no longer interested in building a family, and no longer interested even in “free sex”. Actually, they are no longer interested in any sex at all, except maybe with their sex robot which some of them marry after divorcing their human spouse!

You can find lots of articles online discussing the “why” of this so called “celibacy-syndrome” or the new term “fictosexuality”, sexual and romantic attraction towards fictional characters in media, as distinct from living people in real life.

The real reason, however, is none other than that one that wants to steal your life, steal your God-created marriage- and family-happiness, steal your fertility and even your ability to obey God’s very first commandment to *“be fruitful and multiply”* (Genesis 1:26)!

How can such things happen? Well, human relationships are complex. Your girlfriend or boyfriend, your spouse or your parents will not always agree with you. They will not always pamper you and try to make you happy, as AI is programmed to do. In a recent study, over 30% of teenagers said they prefer to discuss their problems with some AI than with a human friend!!! Imagine!!! Horrible!!!

Why? Well, the AI will agree with you, offer to help you, pamper and encourage you in whatever you want to do – it will even help you prepare your own suicide or the murder of someone who hurt you.

Just do the research! There are quite a few lawsuits against AI companies because of deaths of their users! Doesn’t that just sound like the fingerprints of that one who wants to steal your life?!?

It is also a known fact that isolation from social life is a major reason for degenerative diseases like dementia, Alzheimer’s and the like. Add to that the sedentary lifestyle screentime brings with it, plus the huge amounts of brain- and eye-damaging blue light, plus the lack of exercise in fresh air and sunlight, both of which are extremely important for every aspect of health, and you have the perfect

recipe for destruction.

Doesn't that again sound like that one who wants to steal your life? If you allow it, he will use even AI to steal your relationships, your social interaction, your sex life, your intelligence, your creativity, your health by staring at a screen all the time – in short, he will steal your entire life! Can you hear his excited chuckle as you go into his trap?

There is more. If you let a machine do all your homework, your thinking and your planning, what will happen to your own brain power? Science now warns of “brain rot” and “cognitive debt” as students and workers increasingly rely on AI and LLMs.

Please study my book “How To Maximize Your Brain”, available at Benita-Alfa.com/en. You will enjoy it! It contains many funny brain games, brain-healthy foods and lots of brain-building strategies, and it will make you worship your wonderful Creator who has given you such a powerful tool, your marvelous brain (Psalm 139:14; 1 Corinthians 2:16)!

And think about it... WHO has programmed that AI you are consulting? WHO has created the knowledge base, or from where does this AI draw its answers? Yes, it is “just” technology, circuits, cables, chips etc., but as technology advances, its reasoning capacity skyrockets.

When will it be “self-aware”? And once it is, will it protect itself against being dominated or even shut down by humans? In December 2024, OpenAI's ChatGPT already did that, lying and cheating to avoid being shut down!

Wow! Can AI lie? Well, of course! Just think about who programmed it and from where it gleaned all its knowledge! Is it from the Spirit of truth, God's Holy Spirit, or from the spirit of the world, the spirit of the antichrist? Is it believers who program it on God's truth?

If the source of its knowledge is not God and His Word but man in his fallen state, don't you think that John 8:44 applies: murderer... liar... father of lies... wow!

How can I be so hard on AI? Well, just look at the internet which is the main source where AI collects its knowledge. How much godly, true, holy content do you find there, and how much sex, crime, violence, murder, deception and lies?

Think about it! Can you really entrust your future into some chatbot's hands by trusting it with your life's important questions? And let's think even further: At what point will demonic spirits be able to possess that object you come to inquire of, just like they can possess stones, trees, rivers and anything people come to “worship” by inquiring of?

NEWS

- ☞ The Middle East crisis is spreading over a larger area including the crucial Red Sea as the Iran-backed militant organization Houthis mounted attacks on ships sailing through the sea and Saudi Arabia's oil pipeline connecting the seafloor. As the strategic choke point of the Strait of Hormuz sandwiched in between Iran and Oman also remains by and large closed, transportation of crude from the Gulf remains challenging, leading to escalation of crude prices in the international market, adversely affecting the global economy.
- ☞ The Central Government has introduced new rules saying that certain payments through GPay, Phonepe etc will attract 0.4 percent charges if the value of transaction crosses Rs 2000, effective from mid-October 2026. The new rules under the Merchant Discount Rate system for Unified Payments Interface introduced by the National Unified Payments Corporation say that Person-to-Person payments and transfer of money to merchants for up to Rs 2000 are exempted from the new levy. It says the maximum charge for a single transaction is Rs 300.
- ☞ Warnings around increasing capabilities of Artificial Intelligence AI are growing worldwide. Former researcher of the leading AI firm Anthropic recently warned that AI could “kill us all by the end of the decade”, while former Google DeepMind researcher Bilal Chughtai said AI could potentially “kill all humans”. OpenAI researcher Daniel Selsam has also warned that AI could eventually become too capable for humans to control and even wipe out humanity. He argues that simply slowing frontier AI development may not be enough to prevent a catastrophe.
- ☞ In the US Open Tennis tournament, Alexander Zverev of Germany defeated Ben Shelton in the final, 6–3, 7–6, 5–7, 6–2 to win the men's singles tennis title. It was his second major title, following the 2026 French Open. Zverev was the first German man to win the US Open since Boris Becker in 1989. In Women's Singles, Russian born Kazakhstan player Elena Rybakina defeated two-time defending champion Aryna Sabalenka in the final, 6–4, 5–7, 6–2 to win the title.

What about the “Jesus avatar”? An ever increasing amount of pastors turns to AI for sermon concepts and even entire sermons. Would YOU like to hear a machine – or a spirit in a machine – preach to you?! I don’t!!! Near my home in Germany, a Lutheran church offered a service completely done by AI, and so many people came that the normally almost empty church couldn’t hold the crowd!

Of course, the reason was the excitement of the newness, but still... How would the heart of God have felt as people want to hear and see the creation of humans – which is the exact description of an “idol” – in the house of God, even in place of God!?!?!?

This is the actual definition of the “antichrist”: Yes, it means against Christ, but it also means IN THE PLACE OF CHRIST, INSTEAD OF CHRIST!!!

Actually, your loving Creator clearly invites you to ask Him all the questions of your life:

3 Call to Me, and I will answer you, and show you great and mighty things, which you do not know (Jeremiah 33:3)

Wow!!! Not just some AI programmed by some humans, but the Creator of the entire universe invites you to ask of Him all the questions you could imagine!

Wow!!! He calls you to inquire of Him and ask Him for wisdom! He even promises you that He will never rebuke you, not even for the silliest questions:

5 If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.

6 But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind.

7 For let not that man suppose that he will receive anything from the Lord (Jas.1:5-7)

As a born-again believer, you have an even greater benefit:

30 But of Him you are in Christ Jesus, who became for us wisdom from God – and righteousness and sanctification and

redemption

31 that, as it is written, “He who glories, let him glory in the LORD” (1.Cor.1:30-31)

Wow! Beautiful, isn’t it? I love to live this kind of life! I was not prepared or educated for any of the many challenges we face here. Our loving Jesus gave us a land without any infrastructure, not even a real road to it. All that attracted us to that land was the joy of the Lord bubbling in our hearts as we were offered to buy a few acres in “Poongoondi.”

There was no water supply. We had to dig our own borewells. There was only some feeble village power line... We had 14 hours per day no electricity. We started with a hut with a thatched palm branch roof, without a fence and without any other human in the surroundings.

A group of stray dogs appointed themselves as our watchmen, and when we hired a human watchman, he conspired with some evil elements and killed almost twenty of our dogs with rat poison so he could steal our building materials.

It was not easy, but we kept calling unto the Lord, asking Him about each and every detail of building and planting the land, and just as He promised, He led us in triumphant victory (2 Corinthians 2:14). Today, “Poondi” is a famous and well beloved name and a place of encounter with the living, loving God.

I am very convinced that our total dependence on God Father, Son and Holy Spirit and our close second-by-second walk with the Trinity is what created the glorious Holy Ghost atmosphere people feel when they come here.

Yes, we could have asked some AI but I am very sure that the result would have been the cold, metallic, materialistic touch of a machine, not the holy fire of a living God! And by the way – why should we use “artificial” intelligence when our God has given us “supernatural” intelligence, the very mind of Christ (1 Corinthians 2:16)!?

Finally, let me ask you: Can that AI or that avatar save you? Has that avatar given its life, its blood, for you? Has that avatar created you with a plan, with a divine purpose for your life? Does that avatar have a spirit or at least a soul so that you can truly connect not only in your intellect, but also in

the most precious part of you, your spirit?

Does that avatar know your deepest, most intimate thoughts? Yes, technology is advancing to the point where your phone, tablet or computer can read your mind by you simply looking at it... but that is totally different from God, your loving Creator, sending His Holy Spirit to live in you and lead you into all truth from the inside of you (Psalm 139; John 14:23; 16:13)!

So, to whom will you look for answers to your questions? Will it be AI, or will it be the great "I AM", the Lord God, Creator of heaven and earth (Exodus 3:14)? I have made my choice, and I hope you will, too!

Does that mean we cannot use AI or other modern tools? I would say, you can use them as your servants as long as you make very, very sure that you are in control, you are their master, you deploy them to do menial tasks for you – but never to counsel or advise you concerning important matters! Better follow God's eternal advice:

22 Look to Me, and be saved, all you ends of the earth! For I am God, and there is no other (Isaiah 45:22)

Never forget: There IS someone who wants to steal your life, and he can very easily use technology to do it!

Will you allow him, or will you use technology wisely to build God's Kingdom in and through your life?

Please, I beg you: GET a life – preferably your own, and not some AI fantasy world!

BUILDING PROJECT

Accommodation Facility - Phase II

“ We at Berachah Prophetic Ministries are forever indebted to God for His faithfulness in fulfilling the vision which He entrusted to us. The prophetic voice of God has spread across the nations transforming lives over the past few decades.

Indeed, through the past decades God has been so faithful to lead thousands of miracle workers to be trained, equipped and recharged to go forth to the mission field. God is drawing His love labourers in great masses to meet the need of the hungry multitudes in the world. However, one of the overwhelming challenges is to provide accommodation to the thousands that gather in any given event. This has been a pressing need of the ministry over the years.
